Dear Jill,

I have put together a little thank you to you and your team for the fantastic difference you have made to our little village.

On behalf of the residents of Cresswell, Cresswell Parish Council, the Village Hall team and everyone who visits our village, I would like to express our sincere thanks for your generosity and support.

We are incredibly grateful not only for the generous supply of paint but also for providing a fantastic team of volunteers who gave their time, energy and enthusiasm to help transform our village toilet block and railings.

Your contribution has made a real difference to the appearance of our village. These facilities are used by residents and the many visitors who come to enjoy Cresswell, and it is wonderful to see them looking so much better.

Community spirit is so important in a small village like ours, and your team's willingness to get involved and make a practical difference is a perfect example of what can be achieved when businesses and communities work together.

Please pass on our heartfelt thanks to everyone involved, particularly the volunteers who gave up their time. Their hard work and kindness are very much appreciated.

Thank you once again for helping us make Cresswell a brighter and more welcoming place for everyone.

With our very best wishes and sincere thanks,

On behalf of
Cresswell Residents
Cresswell Parish Council
Cresswell Village Hall Team
And all who visit our village

Kind regards Chris
