

THE RISE TRUST YOUTH TEAM

Healthy Relationship 'Escape the trap' programme can be offered face to face on a 1-1 or within a small group. Focusing on what a healthy relationship can look and feel like, warning signs and how to access support. please contact us to find out more

Detached youth Outreach

Supporting young people where they are.

Street based youth workers, working in Partnership with local Partners such as Police, Town Councils and Wiltshire Council to support young people out in the community.

Engaging young people in the community Offering Outreach, giving young people a listening ear , a safe space to talk and signposting.

Delivering this service in a safe way. Youth Workers are visible—our pink logo t-shirts and logo's bags makes us easy to spot!

Safe Spaces

Having a safe space for young people within the community, they can attend for support or advice. Key youth staff facilitate this session bringing youth outreach indoors. Offering drinks and snacks and knowledgeable RISE youth workers, outreach focused sessions planned to meet young peoples need.

Youth clubs and positive activities

Providing young people a place to have fun within the community, be social and take part in activities. Youth clubs promote a sense of belonging for young people. Each area has a core group of youth workers so young people can build lasting trusting relationships to ensure they can access support when they need it most.. Youth activities are planned to meet the young peoples needs and interests.

Are you a town council looking for a youth club? call us to discuss costings.
