About us:

Portsmouth Area Talking News was formed in 1973 and have our studio in The Stacey Centre, Portsmouth. We provide a free weekly service for the blind and visually impaired, of local news taken from the ***Portsmouth News***. The service is available to those who live in the City of Portsmouth and former residents who have moved away but would like to keep up with the ***Portsmouth News***.

We also record monthly, items from ***Navy News***, which we send countrywide, and periodicals entitled ***Women's Choice's***, ***Out and About*** and ***Yesterday***.

Our recordings are provided on USB memory sticks which can be played on a computer or RNIB Daisy Player, or we sell speakers which play the USB sticks.
