Allington Hillbillies

Count the wildlife

How many of these birds did you get in your hour?

Taking part is easy. Just have a look at what you need to do to take part overleaf. **Please write the highest number of each bird species you see at any one time in the boxes below.** We've shown you some of the birds you're most likely to see here. Where we don't show male and female, the sexes are similar, though not always identical.

 Male blackbird	 Female blackbird		 Male chaffinch	 Female chaffinch	
<input type="checkbox"/> Blackbird Your number should combine males and females		<input type="checkbox"/> Blue tit	<input type="checkbox"/> Chaffinch Your number should combine males and females		<input type="checkbox"/> Coal tit
					 Male house sparrow
<input type="checkbox"/> Collared dove	<input type="checkbox"/> Dunnock	<input type="checkbox"/> Goldfinch	<input type="checkbox"/> Great tit	<input type="checkbox"/> Greenfinch	<input type="checkbox"/> House sparrow
 Your number should combine males and females					
	<input type="checkbox"/> Long-tailed tit	<input type="checkbox"/> Magpie	<input type="checkbox"/> Robin	<input type="checkbox"/> Starling	<input type="checkbox"/> Woodpigeon

How often do you see other wildlife in your garden or park?

You probably won't see these creatures below in your hour watching (especially hedgehogs, slow worms and grass snakes, which are hibernating now) – and not all are found throughout the UK – but we'd like to know if any have visited your garden or park **in the last year** and, if so, how often. Write a letter from the key (right) next to each animal. If you don't know, please write "F".
