8. MATTERS ARISING

The defibrillator battery has a five year life-span.

The junction on the A20- Alan Blackburn has been contacted twice, he has passed it onto another officer, still waiting for a response.

Cllr Cuthbert said he has approached the junction from both directions and re-siting the island has created somewhere for vehicles from Ashford to wait without blocking the A20. The width of the path makes it difficult for large vehicles to turn into Faversham Road when west bound.

ACTION: Clerk to invite Alan Blackburn to a site meeting.

9. COMMUNITY WARDEN REPORT

Dave Osborne, the Community Warden, reported that he has received a report concerning an attempted theft of a wooden gate on the night of the 20th April 2017. The gate was removed from the entrance to a field in Old Lenham Road opposite the allotments. The gate was found further along the road.

On the night of the 25th April 2017, sheds at the allotments in Old Lenham Road were broken into. A lawn mower, strimmer and other gardening tools were stolen. On the same evening/night, a garage in Dully Hill was broken into and a quantity of lead was stolen. All incidents have been reported to Kent Police.

Mr Osborne asked for everyone to be vigilant for any suspicious activity in the village and to report any concerns to Kent Police on 101

Cllr Attwood thanked Mr Osborne for his report and for attending the meeting.

10. NEIGHBOURHOOD WATCH REPORT

Apologies had been received from Mrs Jackson, the neighbourhood Watch Co-ordinator for being unable to attend and she reported that on 6 May she had learned from Cllr Fraser that around 1st May a quantity of lead was stolen from a garage in Dully Hill. This had been removed from the roof a house which was being renovated.

Details of the thefts at the allotments which took place towards the end of April at the Doddington Allotments have also been reported. Five sheds were visited (they are unlocked as it is not really viable to lock them as more damage is caused when they are broken into). Hand tools were taken from each of the five sheds (at least twenty items in total, plus one strimmer and one mower). Some tools were very new stainless steel ones but most were older and less valuable. The forensic team came out from Sittingbourne Police Station on the same day that the thefts were noted (Tues 24th April) but could not find anything suitable to take fingerprints from.

A five-bar gate was removed from the entrance to the set-aside field, opposite the allotments in the Old Lenham Road, a few days before and was dumped further along the lane.

A number of the lavender plants which had been planted on the West End traffic calming bed last year have been removed.

Mrs Jackson urged that everyone in the neighbourhood should be very aware of this increase in local crime and to take extra care to keep their homes, sheds and garages locked to discourage snoopers, even when they are nearby, as well as reporting anything suspicious to the police.

A member of the public said she was pleased to be at the Annual Parish Meeting and see Cllr Cuthbert receive the Award.

There may be other names to be added and until there is a definitive list it will be difficult to carry out the work.
