

Houghton Village Neighbourhood Development Plan – survey results

Houghton Village Hall: Saturday 2nd March 10.00am

Monday 4th March 7.30pm

The NDP Steering Group will hold a presentation of the results of the following surveys:

- Neighbourhood Development Plan Survey
- Hampshire County Council Traffic Survey
- Action Hampshire Housing Needs Survey

We are holding two sessions; each session will last approximately 1 hour. Hopefully one of the sessions will be convenient for you to come along and see what you have said/commented on, about our village! We shall also be presenting the priorities for the Houghton NDP – as decided by YOU.

We will have summary handouts available at the end of the session. The full results of each of the surveys will also be available online.

Please come along to one of the sessions; it is really important that as many people come along to hear the results and agree the priorities. We will be unable to continue with the plan without your attendance and support.

Thank you
