

## Reduction in PCSOs

You may already have heard that Notts Police are proposing cutting 1/4 of the PCSOs in the county. Most of our police contact here in Carlton is with PCSO Keith Crowhurst, whose job may be under threat. Keith is responsible for investigating speeding, parking issues, drunk drivers, liaising with schools when kids commit offences, rural crimes like poaching and ASB incidents, as well as much more. If you feel it's vital we retain our PCSO coverage please contact the following and make your views known:

### CHIEF SUPERINTENDENT MARK

HOLLAND, Carlton Police Station, Cavendish Rd, Carlton, Notts NG4 3DZ  
(in charge of rural policing)

### INSPECTOR LOUISE CLARKE, Newark

Police Station, Queen's Road, Newark NG24 1LJ

PADDY TIPPING, Nottinghamshire Police and Crime Commissioner, Arnot Hill House, Arnot Hill Park, Arnold Nottingham NG5 6LU

Ask them to lobby to keep our already sparse police cover. Point out that Keith works well with the community, is our only visible police presence, and cutting his post will leave us vulnerable to crime.

## CULVERT STRENGTHENING – South of Palmer Road, Sutton

For 6 weeks from 4 May the NCC will be working on the culvert that takes the B1168 (Old Grt North Rd) over the stream near Sutton. Traffic will be reduced to a single lane so please make allowance when travelling.
