- Make sure that the AGAR is complete (no highlighted boxes left empty) and is properly signed and dated. Any amendments must be approved by the authority and properly initialled.
- The authority **should** receive and note the Annual Internal Audit Report before approving the Annual Governance Statement and the accounts.
- Use the checklist provided below to review the AGAR for completeness before returning it to the external auditor by email or post (not both) no later than 30 June 2023.
- The Annual Governance Statement (Section 1) must be approved on the same day or before the Accounting Statements (Section 2) and evidenced by the agenda or minute references.
- The Responsible Financial Officer (RFO) must certify the accounts (Section 2) before they are presented to the authority for approval. The authority must in this order; consider, approve and sign the accounts.

An explanation **must** be provided of any difference between Box 7 and Box 8. More help on bank reconciliation is available in the *Practitioners' Guide**.

Section 3 - External Auditor Report and Certificate 2022/23

In respect of **Stanton Harcourt Parish Council**

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2022/23

Except for the matters reported below on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Following a review of the minutes, due to the references at Section 1 and Section 2 being the same, it was noted that the minutes did not record the approval of the AGAR form but rather the fact that the year end accounts were circulated and approved. It should be noted that the Council is required to approve Sections 1 and 2 of the return individually in a specified order and the minutes should reflect this. It is also the requirement of the Accounts and Audit Regulations 2015 that Section 1 is approved before Section 2. We would expect to see this rectified during the approval process for the 2023-24 return and we would anticipate this being taken into consideration when completing Assertion 3 of Section 1 of the 2023-24 form.

Section 12 of the Audit and Accounts Regulations 2015 requires the RFO to complete Section 2 of the Annual Governance and Accountability Return prior to passing it to the Council for its approval. This year, the Council approved the Return before the RFO which is a breach of this regulation. In future the Council should ensure the form is duly completed prior to it considering it for approval.

A review of the Finance section on the Council's website has found that the Council has not fully met the requirement of the Accounts and Audit Regulations 2015, Regulation 13 (1) which states that the audited Annual Governance and Accountability Return should, on conclusion of the audit, be available for public access which includes publication on the Council's website. The Council amended their return in the prior year during the 2021/22 audit process however the amended version of the return has not then been published on the Council's website. The Council should bring this into line with the regulations as soon as practically possible.

Other matters not affecting our opinion which we draw to the attention of the authority:

The Internal Auditor has ticked 'Yes' to control Objective N but as we have noted above, the version of the AGAR on the website is not the final amended version following the 2021/22 Limited Assurance Review process, the objective should have been ticked 'No'.

The Internal Auditor ticked 'Yes' to control Objective K on the Annual Internal Audit Report which relates to whether a Council correctly certified itself exempt in the prior year. We expected this assertion to be answered 'Not covered' as last year the Council did not claim exemption from review and submitted an AGAR 3 for review which received a report from ourselves as External Auditor.

The Internal Auditor has signed off the Annual Internal Audit Report 2022/23 after the Annual Governance and Accountability Return 2022/23 was approved. This means the completed 2022/23 report was not available for review and consideration with the form. It is presumed that the statements in Section 1 Annual Governance Statement refer to the previous year's internal audit report.

3 External auditor certificate 2022/23

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.
