## ANTI SOCIAL BEHAVIOUR

### SENSELESS ACTS OF VANDALISM TO BUSES AND CARS

Vandals have been throwing stones at Arriva and Go Coach buses and other vehicles between the roundabout and the Shopping Centre. Windows have been smashed and passengers were showered in glass. This is not the first time stones have been thrown at buses by a group of youths.

We have held meetings with Police, the Community Safety Unit and bus companies.

***As a result, Arriva and Go Coach are seriously considering terminating their evening service at Hartley.***

If you have young people in your family, please point out the serious consequences to such senseless vandalism especially the impact on residents who rely on public transport.

Please report all incidents and any information.

For non - urgent police matter call 101 or report online <https://www.kent.police.uk/services/report-online/kent-police-online-reporting>, or the Community Safety Unit (CSU) on 01732 227000, email [community.safety@sevenoaks.gov.uk](mailto:community.safety@sevenoaks.gov.uk).

**If a crime is in progress call 999**

The Community Safety Unit (CSU) consists of Council Staff, Police, Community Wardens, Housing Associations and other partner agencies.

Partners meet on a daily basis to discuss Community Safety Concerns and Anti-Social Behaviour (ASB) calls that have come in from residents and partner agencies including the Police.

The CSU is a great way for partners to address current concerns and have a speedy and effective response to residents of which all are updated.

The CSU also focuses on safety campaigns and we have great initiatives for residents in rural and urban areas to keep them safe and their belongings safe. The CSU has timer switches, shed alarms, personal alarms and card protectors to name but a few which are free to residents. The CSU deals with all aspects of ASB and community safety. If you have a problem that you would like the CSU to get involved with then please contact them.

## ASH GREEN SPORTS CENTRE AND GYM

### To gym or not to gym that is the question?

Many of you reading this may have thought about joining a gym at some time or another. Maybe to lose a bit of weight, tone up or just to become fitter maybe for a particular sport you love, or because you are going on a special holiday.

So maybe you joined a gym, and lasted a few weeks, or maybe even a month or two. You lost a little weight and even felt a little better, but you begin to realise that there is no quick fix when it comes to transforming your body and your health.

At Ash Green Sports Centre our focus is on your overall lifestyle. Think of a four legged table, remove one of the legs and the table is no longer stable, you wouldn't want to put your favourite table wear on it, would you?

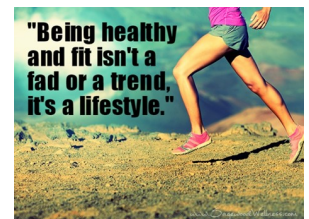

To have a table (body) that is healthy, functional and that will last a long time you need four good legs. And these legs are;

- A healthy balanced diet
- Using the body in such a way as to keep it strong, flexible and injury free.
- Good Sleep
- And finally but not least, Stress.

Don't think just coming to the gym will solve all your problems, but it is a fantastic way to address some of them, and you will be amazed that as you address one, the others begin to fall into place as well.

At Ash Green Sports Centre our focus is on helping you to address these four legs in a friendly, helpful and fun atmosphere, where you will feel safe and cared for.

Call to book your free induction or for more information. 01474 707164

## LISTED BUILDINGS IN THE PARISH

### Granary at Ridley Court Farm

The Granary to the east of the farmhouse is Grade II listed and was first listed in 1982. It is of 18th century date, weatherboarded and supported on 12 staddle stones. The roof was originally thatched but is now covered in asbestos sheeting.

During the 18th and 19th centuries the Granary would have been used for storing grain. The staddle stones raise the floor of the Granary off the ground, to keep the grain dry. The stones have a mushroom shaped top to prevent rats from climbing up and entering the grain store.
