

Berwick St James

A quick reminder about the Village 2019 AGM in two weeks time, taking place on Thursday 30th May at 7:00pm in the Reading Room. Agenda items should be submitted to me at The Leat House by email or phone call no later than Wednesday 22th May, and the full agenda will be published on Thursday 23rd May. As the four positions on the village's management committee need to be elected or re-elected annually at the AGM, anyone wishing to stand for any of these positions must give at least seven days notice of his or her intention to do so. Personally, this will be my last meeting as Chair. I hope you will be able to come.
