# AUTUMN FESTIVAL

And more.....

We are sending out an extra newsletter as so much has changed in such a few short weeks, including the weather.

With the bi-monthly newsletter, it tends to be old news rather than new. So we are going to tell you what is going to happen in the next few months, so you can plan ahead and take part in the events planned up to the New Year.

### CALANDER 2014

Each year we produce a calendar to help raise funds for the hill. These are ideal Christmas gifts for friends and family and we hope to sell more this year.

If we purchase them in bulk, it means we can keep the price competitive, while still raising money for the hill.

We hope to have copies available at the Autumn Festival, so please come prepared to buy. We hope the price will be approximately £7 each or two for £12.

# THE KID'S CLUB

EVERY 2<sup>ND</sup> SUNDAY  
OF THE  
MONTH 2PM

## WHO CAN JOIN IN?

Any young person under the age of 16.

Children under the age of twelve must be accompanied by an adult. We recommend no more than two children per adult. Please contact us if you wish to bring more.

## IT'S FREE

Unlike other clubs this is FREE.

The children do not have to attend each month, and will have the opportunity to get involved in many other activities on the hill.

## HOW IS IT FUNDED?

Thanks to two separate donations from Dave Rickard from charity events he held when Mayor of Bridport, we are able to fund the club well into the next year. We hope that through our fund raising events, we will continue to be able to fund future meetings. All children should be able to enjoy the wonders of nature.

## JUNIOR VOLUNTEER AWARDS

Each year children who have helped in different ways to look after the hill are awarded prizes to do with nature and gain a certificate.

This year, these awards will be given out at the Autumn Festival. Dave Rickard will present these.

## This years Autumn Festival Saturday October 12<sup>th</sup> 4pm-9pm

This year organizing the Autumn Festival has been one of our hardest challenges. The committee has had to put everything in place and sit back and wait for confirmation that we can in fact go ahead. The lease for the land the festival is held on is still waiting to be signed by Woodland Trust management, even though Allington Parish Council signed it several weeks ago. Nail biting times, but I have been assured that everything will be in place for the festival to go ahead.

We really do need your support and this is a fun way of helping us. This is an ideal opportunity for friends and family, to gather and support a

good cause.

We hope to have the same heady mix of entertainment and fun for all the family, keeping the costs down to a minimum.

There will be workshops for the children to help them imagine that they are Witches and Wizards. The B.B.Q, which will be a little bit better organized this year to stop people queue jumping and of course a big bonfire to help keep the evening chill away.

Entry is FREE, a prize draw and tombola or bring a buy stall will help us raise funds for the hill.

### We couldn't do it without them.

# Live music

I can't thank the following bands enough for offering to come and play at the festival. Only a week ago, I was looking at the possibility of relaying recorded music from a MP3 player and hopefully being able to borrow a PA system, to blast the music out. At the beginning of the week, in the space of 48hrs, four bands responded to my pleas for help. This means you will have live music for the whole evening.

## It will soon be Christmas

As soon as the festival is over we will be thinking of Christmas. We hope again this year to have a Christmas tree in the United Church Hall. But we have bigger plans, but I'm not sure if I wish to spoil the surprise.

To find out more you will have to wait, but no doubt it will be the worst kept secret in Bridport.
