Subject: Junction Sign Duck Street.

Hi Sal

Please see the attached quote and drawing for a replacement sign on an existing post at Duck Street Chideock.

I have also asked for the warning sign to be moved to the top of the post because it should be read first.

The cost of this work is £288.14

This includes removal of existing junction sign, / erection of new junction sign and Traffic Management during the works.

Should you wish to proceed with this proposed work please ring my colleague Maria Pollard (01305 228184).

Once we have received full payment, we will contact you with an estimated completion date for the works.

Kind regards

Adam Marsh
