

Sevington with Finberry Parish Council
Internal Audit
2021-2022

I am pleased to report to Members of the Parish Council that I completed my internal audit of the Parish Council's records for 2021-2022.

Members should be aware that the audit tests I undertook during the audit cannot be relied on to identify the occasional omission or insignificant error, nor to disclose breaches of trust or statute, neglect or fraud which may have taken place and which it is the responsibility of the Members of the Council to guard against through the Council's internal control procedures.

Members will be pleased to know that I did not find anything major in my financial audit to report and that I found the record keeping to be of good standard and the Parish Council's approach to the management of risks to be sound. I have, therefore, been able to complete Section 4 of the Annual Return.

I would like to take this opportunity to thank the clerk for her assistance given to me in the conduct of this audit which took place on 27th April 2022.
