March 2024

www.romseybowlingclub.com

Having dusted off my keyboard am ready to produce the first Newsletter of the year which I hope you will all find helpful and informative, any comments you may wish to contribute will be very welcome!!!! 'Over the Hedge' we are now on countdown to the new season and hopefully some good weather. So now is the time to dust off your woods and prepare to join your fellow members for the Opening Drive on 20th April at 2pm.

We look forward to welcoming our new President Gill Wait and meeting our new members for the first time at the Opening Drive and hope they will take part in the Roll Ups on Tuesday and Friday afternoons at 2pm with tea and biscuits provided. For those who may have not visited the club during the winter period you will notice that work has been done renewing the flooring in the foyer and disabled/ladies toilet. Our Green Team deserve our thanks once again as they have been busy during the shutdown preparing for the season..

The Club booklet will be distributed shortly so update your social calendars with all the Friendly Fixtures and Special Events taking place during the summer. The folders for members to show their interest in taking part in these events will be in the foyer at the Opening Drive or on the Notice Board in the foyer. Here's wishing you all a successful and rain free season.

SOME FUNNIES TO GET YOU IN THE MOOD

ONE FOR OUR NEW MEMBERS

A bowler turned up at his club to play, wearing one brown and one black bowls shoe. The club secretary drew the players attention to his irregular dress attire. The bowler was unperturbed, responding, "I've got another pair exactly the same at home !".

Remember-- Look smart....Play smart.

NOTICE TO ALL MEMBERS

If you make tea in the club house, Please empty the tea pot, then stand upside down on the draining board!!!!

Think about it!!!!
