

## Question 1. Would you like to see a village inn, a shop and a parking area on this site?

Number	Yes	No	Comments
1	x		Inn & shop sound a great idea, not sure parking would be used
2	x		The land is countryside & should remain so
3	x		No, it is countryside & should not be developed
4	x		Inn & shop would enhance local facilities & provide an additional social centre
5	x		
6	x		We are in favour of the principle of this
7	x		The village needs a meeting place
8	x		
9	x		Provide a natural, safe hub to the village
10	x		Not sure about a pub. Certainly a shop would be fantastic
11	x		
12	x		It could bring villagers together
13	x		
14	x		
15	x		
16	x		It would benefit the village greatly and be a reason for residents in surrounding villages to come to the shop
17	x		Would be nice to have a few smaller houses
18	x		
19	x		As long as the pub & shop remain and not turned in to houses later
20	x		Hope parking would ease congestion but not convinced
21	x		
22	x		
23	x		
24	x		Local pubs are already very close as well as kimbridge shop & annies tea room
25	x		Inn - Not viable, Shop lovely idea - not viable, parking - would parents be prepared to use?
26	x		
27	x		
28	x		
29	x		
30	x		
31	x		
32	x		
33	x		If we wanted a shop & village inn we would have moved to an area that had one
34	?		Concerned about viability with 3 local pubs closing in last 2 years.
35	?		Not for or against- feel shop/inn could be a benefit but feel it would add to traffic
36	x		Concerned it would strengthen the case for developing further
37	x		
38	x		Inn/shop has to be viable & run as a profitable business, not something that can be run by a few volunteers on adhoc basis
39	x		Too many pubs failing, this will be no different. Car park will not be utilised. Notice a lot of emphasis on facilities distracting from housing development
40	x		All local inns in trouble & have difficulty keeping open. Shops already catered for sufficient local needs
41	x		I think parking is too far to encourage many to use. Proposed exit is also on a vulnerable part of the road
42	?		Would welcome extra facilities but can't see them being viable.
43	x		Good for any village life to create community centre. Is this the best option though?
44	x		For those with no children there are few social hubs in the village.
45	x		
46	x		
47	x		Sad that the village has no real centre
48	x		A local shop would be handy
49	x		
50	x		
51	x		It would give villagers somewhere to meet up & would be useful to older people in the village
52	x		
53	x		A shop would be nice
54	x		
55	x		Think it would be fantastic for already close knit community
56	x		Very handy - helpful
57	x		
58	x		
59	x		It would benefit a lot of people that don't drive, Would be a great thing to come to the village
60	x		
61	x		
62	x		For shop- convenience store & newspapers more important than local produce
63	x		I do not feel there is a requirement for any of these.
64	x		Oppose for a number of reasons including, location, unsolicited by the village, unlikely to be viable & pollution
65	x		Dangerous Road, would increase traffic. Bad parking area entrance & poor sight line
66	x		
67	x		Providing immediate neighbours are happy
68	x		Providing the exact plans are seen by residents & immediate neighbours are happy
69	x		We do not wish to see a village inn, shop and parking on this site
70	x		
71	x		
72	x		
73	x		
74	x		No Demand
75	x		Do not believe it would be viable & not needed. Traffic from any parking congestion with restricted traffic flow would be worse not better
76	x		Definitely not. This is a green field site in the countryside. Pub & shop are unsustainable, particularly when Kings Head at Lockerley is no longer trading & Dukes Head, Me
77	x		Emphatically no! This village needs neither a pub or more executive style homes. There are already several pubs locally which are struggling to survive, if the initiator of th
78	x		A pub and a shop are the only places missing in the village
