1. Chairman's Remarks

CCF reported that there was £16,876.82 available in BSWFCF to distribute. This sum includes £2,648, from Bluefield Services regarding the North Beer Solar Farm. The Grants Panel is extremely grateful for the assistance given by Kirstie Philpott of the CCF in obtaining this payment and for sorting out the procedure for future payments. CCF now have the authority to invoice and receive payment direct from Bluefield Services and not via Boyton Parish Council.

There will be a new Parish Council in place from 8th May. The Parish Council representatives will elect representatives to serve on the Grants Panel for the next five years. The Chairman thanked CCF for all their help and advice to the Grants Panel since the start of the BSWFCF and also thanked the members of the public who had served on it.

2. The Chairman declared an interest in the application. She had written the supporting reference letter. Merv Law then took the chair.
3. There was one application assessment by CCF for deliberation:
BSWF/17/11 Boyton Gun Club's request for £54.00 for the individual trophies with engraving for the Alexander Cup Clay Pigeon Shoot competition hosted this year by Boyton Parish.
4. It was proposed by Rachel Ellacott to support this application and agreed unanimously.
5. Date of next meeting: Wednesday Monday 16th October 2017.
Deadline for Grants Applications submissions to CCF: 15th September, 2017
