TRAFFIC GROUP		Cllr Tee	
Discussion	Five volunteers had applied to have Speedwatch training. Cllr Norton said that he would organise training for them.		
	There had been a good response to the traffic surveys which are now being collated. 99 surveys had been received. The two most pressing issues were speed and pedestrian safety. The data was now being put into an easier format to understand		
	There were also issues raised regarding hedges forcing pedestrians out inot the road between Mill lane and the bend by Butchers Lane.		
	Also raised was the problem with vans parking on the junction of Easole Heights which made the egress from this road very dangerous.

PUBLIC INPUT AND OTHER BUSINESS

Discussion	<p>A parishioner raised the problem of Aylesham Rd being closed for 6 months due to drainage works. Traffic was being directed via the Womenswold road but some traffic would undoubtedly use Butter St., Pinners Lane, Church St., or Beauchamps Lane. There was very little that could be done about this but the situation needed monitoring.</p> <p>By the bus shelter on the corner of Vicarage Lane, the small patch of grass with spring bulbs had been sprayed with weedkiller.</p> <p>New District Councillor Woodgate introduced himself.</p> <p>Any problems e.g. drains, flytipping etc. can be reported on the following KCC website.</p> <p>https://www.kent.gov.uk/roads-and-travel/report-a-problem</p>		
Action Items	Person Responsible	Deadline	
Speak to the homeowner who sprayed the weedkiller about re-instatement of grass and bulbs.	Cllr Tee	3rd July
