

# MINUTES OF THE PARISH COUNCIL MEETING

Tuesday 7th July 2020 Remote meeting via Skype 7.30pm

Present Parish Councillors Alan Tyler (Chair), Simon Barker, Mark Gifford, Hazel Metz Alison Mosson. Clerk Susan Turner. Ward Cllr Mark Ruffell, Members of the Public: 5

**WELCOME AND APOLOGIES** Apologies PC Andy Reid, his report as below. Thanks to Chairman for hosting the meeting.

**POLICE REPORT** From PC Reid 4th July: 'Nothing major to report. I am dealing with a malicious communications allegation.

'We also had reports of a man seen with a rifle near Millars Cottages in Station Road, awaiting video footage but may be vermin control as it was about 5pm on June 22nd. 'Also received report of suspicious men seen at Pensdell Farm, they were asked to leave private farm land which they did, one managed to drop documentation of who he was which was handy as he is known to us.'

### **3 PUBLIC SESSION – WARD COUNCILLOR REPORT**

### 3.1 Report from Clir Mark Ruffell

2

'Cliddesden is facing the greatest threat to its existence as a 'free-standing' village since the debate over the route of the M3. As it is the M3 has provided a physical barrier to southward development. There are now three proposed developments which could potentially breach this barrier – two significant, one less so.'

**i The 'Upper Swallick'** proposal is a real threat.

Great arguments against will be not just be 'countryside, wildlife, biodiversity, rural setting' but – as put forward by STANhD – that Open Space to the south is a 'lung for Basingstoke' – and providing a local countryside setting for all to enjoy.

The Upper Swallick proposal will likely seek recognition via the Local Plan – alongside other sites promoted via the SHLEAA published last December. There will be opportunity [via the consultation process] for the Parish Council and neighbours to register their opinion on this and all sites. The Council will considers those representations – and what sites to be included in the Local Plan Update. Cllr Ruffell will be lobbying against 'Upper Swallick' as Ward Councillor and portfolio holder.

Lord Lymington's proposal will be observed carefully by other local landowners. If this is successful, the character of the area will irrevocably change, local land prices will also change dramatically. While not protagonists and whether in opposition or support, local landowners will be natural beneficiaries in this regard.

- **ii Moto MSA J6** The second serious threat to Cliddesden is the Moto application for a motorway service area south of J6. The Transport Engineer engaged by Winslade is widely respected his report suggests that the analysis by Highways England is flawed. In the main Borough Councillors seem not to wish to confront this. An evident consequence of approval is a construction road link which has the potential to pave the way for a permanent link to the M3 from Alton and Odiham. Which dramatically changes potential access for development.
- **iii J7 development** Regarding present proposals for warehouse distribution north of J7, Cllr Ruffell's advice is that this should not be feared as an invitable breach of the 'M3 divide' at this location. 'Highways improvements' may be required here in any event. The Borough Council may consider a distribution destination at the edge of Basingstoke as beneficial.

The Borough Council – including Cllr Ruffell are fully supporting provision for a new hospital by J7 – this will be a critical treatment and an A&E teaching hospital – doctors are battling for this also. The Borough Council is doing its best to get Government backing. This would be a large open-plan hospital development – on land to north of the A30, to east of 'Wyevale' garden centre, south of Manydown centre. There will be mitigation and intention that the 'M3 boundary' remains.

– The Chairman noted that Basingstoke Golf Club will go to Dummer and so this golf course site is protected – this has already been agreed.

### **3.2** Questions from members of the Public

<u>Question 1.</u> Is creating an entrepreneurial hub in the Open Countryside counter to the initiative of developing Basing View? Can another hub be justified when the Council is actively trying to develop a central hub? Is there a contradiction in where the Borough Council is moving the town's development and where Lord Lymington's proposal would be moving it? The 'Green Village' concept is supposed to be self-sustaining. Question the logic of that concept?

Councillor Ruffell answered this by describing the 'bigger picture'.

- 'The focus on J7 development is because of the need for a new hospital. Other Basingstoke hospitals are inadequate for critical treatment. Government now saying needs to be spending in NHS. Either new site needed or current site is redeveloped (did have planning which recently lapsed).
- Existing site now not the right location. Southern part of Manydown was purchased within powers to provide development and housing. This was upheld at Judicial Review the Council does not have option of not developing South Manydown. Councillor Ruffell supports a Western relief road to J7 which take pressure of the A30 and also provides for the Leisure Park development. Also have to consider improved road connection from Tadley to serve the hospital. A new hospital by J7 can provide services to the other three hospitals.
- This promotes an evolving scenario of a 'Mass Rapid Transport' system into Basingstoke from the from the edge and from the centre out. Once the hospital development happens this becomes self-fulfilling – sustainable and viable or the next 50 years. If the hospital development doesn't happen, the planning for a transport system is much more 'up into the air'.
- So an answer to the question is that Lord Lymington's proposal does not fit into any of this. Have to question according to whose principles the development is 'green' and question how this development can be sustainable four to five miles out? How it deals with the climate change issues associated with development and transport?
- Question 2. Do all housing sites that go into Local Plan have to be delivered.
   Answer: Yes... though due to underdelivery in previous years need to play 'catch-up'. The current housing figure is inflated due to not delivering sufficient numbers in previous years. Calculations based on present situation so housing number could go up or down every few years. Following 'difficult' years have to fulful the quota of these years. And this takes time with limit of 300 dwellings per annum for one site. With the changes in Government methodology for calculating housing need, it has is anticipated that housing figures will increase. It now seems this is likely not to be such a large increase as feared but remains unconfirmed.

*Cllr Ruffell left the meeting with the thanks of the Parish Council* 

4 MINUTES OF LAST MEETING of 5th May AGM – agreed and to be signed.
 5 DECLARATIONS OF INTEREST in items on the Agenda – None.

#### **COMMUNITY SUPPORT & COVID-19** 6.

#### 6.1 **Community Hub** Article from Chairman submitted to August Newsletter.

'Coronavirus Support Scheme – As I am sure you will have been aware the village has been running a support scheme for those shielding or unable to get to the shops or the pharmacy.

'We began the scheme in March and in April joined the wider Basingstoke scheme as a local hub. As the lockdown eases, we felt it was time to reduce the scheme and hand the baton onto Basingstoke Voluntary Action, who will continue to support those who need it. https://www.bvaction.org.uk/ 01256 423816 Hantshelp4Vulnerable helpline 0333 370 4000

'The Parish Council particularly wishes to thank all those who have volunteered, for the time and effort they have given during the Pandemic. Sarina & Les Smith, Sian Banks, Alex Conboy, Katherine Taylor, Louise Brill, Clare & John Downing, Rachel Beresford-Davies, Sarah Lloyd, Charlotte Munro, Nat Mendelsohn, Susan Williams, Carrie O'Herlihy, Julie James, Graham Marshall, Mark Gifford, Tracey Mathias. 'Finally a big thanks to Hazel Metz who took on the task of co-ordinating the effort and ensuring that all the requests for help were met.'

6.2 **Community Signpost** 'As part of the legacy of the pandemic Basingstoke Voluntary Action (BVA) is looking to develop the excellent work undertaken by the community Covid-19 Hubs by creating a network of Community Signposts. These would be the first point of call for support from residents in much the same way as the Hubs were. The idea is that there would be one named person in each community who would be the contact, perhaps via a dedicated email or phone number. These contacts would able to direct callers to appropriate help, either through existing networks within the community, or by referring to BVA where the wider membership of community and voluntary groups might be able to help. Anyone interested in being the named person for Cliddesden please contact Hazel Metz...'

#### 6.3 **SSEN Community Grant**

TO RECORD Thanks to SSEN Community Grant Fund for their award of £3,000 to Maz and Simon Pennington (Shabby Gourmet) to support provision of home-cooked lunches for the doctors, nurses and other staff in Basingstoke Hospital's A&E Department.

#### 7 PLANNING

7.1 **Local Plan** The Basingstoke golf course application for 1,000 homes will be considered by Development Control on 22nd July. (Also noted many valuable trees on the golf course the BDBC Tree Officer seeking to TPO.)

#### 7.2 **Stanhd** (Stand up for the North Hampshire Downs)

That the Chairman and Simon Barker would represent Cliddesden on Stanhd. Other members to date are representatives of Ellisfield, Winslade, and Hampshire CPRE who have considerable expertise, recently in preventing the proposed Eastleigh development. Likely that membership will soon widen to other Parishes south of M3.

#### 7.3 **Cliddesden Stanhd**

AGREED

AGREED

That a Parish group needed to engage local support and expertise.

Also likely that other planning applications would come forward. Fifteen offers of help had been received so far. A member of the public asked if 'job specs' could be created so volunteers understood what was wanted of them. On the other hand the Chairman said that at this early stage it was useful to know what skills were available to be drawn on.

It was noted that Hook's action group – 'Hook Action against overdevelopment' had developmented a strong communication network initiated by one resident – based on clear communication updates and 'what can you do now?' guidance.

### 7.4 | Neighbourhood Plan

- TO RECORD the Parish's debt of gratitude to the Neighbourhood Plan Team and the massive amount of work contributed, particularly at present by Brian Karley on the *Issues & Options* plus Evidence Base and Questionnaire, and Alison Mosson for her work on Green Spaces, Gap, Biodiversity and Landscape.
  - **7.5** New planning applications for discussion none. See APPENDIX I for all current applications relating to the Parish.

### 7.6 Planning Enforcement – Faerie Meadow

TO RECORD that '1. Part of the field next to Faerie Meadow has been fully integrated into the garden with the dividing hedge being removed.

'2. Part of the protected native hedgerow along the roadside has been infilled with inappropriate Laurel bushes rather than native hedging – degrading biodiversity.' Note that the lack of a boundary isn't a planning issue, it is the 'use' that is important, whether the use is domestic?

ACTION Clerk to contact Planning Enforcement

1. Concerns re Faerie Meadow land use.

2. Storage use – ref enforcement of condition 9 at Carenta Carus (Station Manor).

**7.7 MSA J6 (MOTO)** <u>17/03487/FUL</u> Land Adjacent To Junction 6 M3 Basingstoke. Parish Council responded to further consultation on new documents published 29 April. HCC Highways has responded `no objections with conditions'.

### 8 HIGHWAYS AND TRAFFIC

- **8.1 Lengthsman** Visits to date 16th April, 17th June next scheduled 7th October. Tasks for 17th June – awaiting report
  - 1. Woods Lane Cut back vegetation from road signs from 30mph down to village.
  - 2. FP 1 Cut back encroaching vegetation where path bordering Hoopers Mead.
  - 3. Clear gully top of Hackwood Lane on left beyond Village Hall.
  - 4. Clear pond silt traps.
- NOTED Have cleared around signage, more needed in Woods Lane. Did strim FP1, almost definitely didn't do silt traps. Also noted that FP 4 alongside old railway line undergrowth, nettles etc needs cutting back.
  - **8.2 SID** (First SID returned by Westcotec end May following second antenna repair.) Simon Barker reported both working, changed battery previous day Southlea SID.
  - 8.3 Woods Lane traffic Damage accident of 9th May 2020 involving BMW on wall. Article in June *Newsletter*. Letter to Cllr McNair Scott forwarded to Mandy Ware, Team Leader, Safer Roads - Traffic, HCC – requesting road safety measures. Letter from HCC of 16th June... 'The Safer Roads Traffic team will be happy to advise the Parish Council further on the options available for Woods Lane. Of the suggestions made the most suitable options are signing improvements... A village gateway at the entry point to the 30mph would also help to highlight the speed limit and could also include road markings... I can arrange for the site to be reviewed and some initial ideas suggested but in the meantime I'm happy to have a general discussion with a Parish Council representative over the phone or MS Teams if that is helpful.' Simon Barker to liaise – reported that HCC would normally make a site visit but due to COVID so far undertaken a desk top review. HCC not considering further 20mph areas. Some previous 20pm trial areas such as in Dummer showed increase in speed. No indication at present as to when work in Woods Lane would be done.

- 8.4 Waste bins on the Highway Parish Council letter sent to Joint Waste Client Team (BDBC and Hart) on 3rd July requesting enforcement.
- AGREED Clerk to send further letter – and point out may include commercial waste. Question what is happening to further rubbish produced as the bins haven't been emptied.

#### 9 POND AND MAINTENANCE

DEFERRED to next meeting Agenda item, including whether to re-site the bench.

#### 10 FINANCE

### **APPENDIX I** - PARISH PLANNING AND TREE APPLICATIONS

<u>T/00286/20/TCA</u> (Validated 7 July) Sunnyvale , Farleigh Road, Cliddesden. Cherry Plum (T1) -Reduce height by c5m to leave height at 5m. Reduce width by c.1.5m to leave crown radius of c2m.

- <u>T/00212/20/TCA</u> (Validated 04 Jun 2020) Tamburello, Farleigh Road, Cliddesden. T1 Cherry: reduce crown by 1.5m leaving an approx finished height of4m and crown spread (radius) of 4m T2 Cherry: reduce crown by 1.5m leaving an approx finished height of 5m and crown spread (radius) of 4m T3/T4 Silver birch: reduce crown to previous pruning points approx 3-4m leaving an approx finished height of 6m and crown spread (radius) of 4m T5 Cherry: reduce crown by 1.5m leaving an approx finished height of 5m and crown spread (radius) of 4m T6 Cherry: reduce crown by 1.5m leaving an approx finished height of 5m and crown spread (radius) of 4m. *Tree Warden/Parish Council Response: 'No problem with the actual work – just the potential timing – as always! Please make very clear provisions of Wildlife & Countryside Act re nesting birds'*
- <u>T/00191/20/TCA</u> (Approve 26th June, Validated: Wed 20 May) Manor Farm Cottage, Farleigh Road. Yew (T1,T2,T3) - Crown reduce by c.3m leaving trees c.8m high and c.3m wide. *Tree Warden/Parish Council Response No objection in principle to the work – but now is bird nesting season until end of August and it is illegal to disturb nesting birds. The Wildlife and Countryside Act 1981 states that it is illegal to 'intentionally or recklessly disturb any wild bird listed on Schedule 1 while it is nest building, or at a nest containing eggs or young, or disturb the dependent young of such a bird.' It would be virtually impossible to guarantee that no bird is nesting in a yew, it being evergreen, no matter how well it may be checked, so the work not be carried out until September at the earliest.*
- <u>20/01098/FUL</u> (Pending Validated 18 May 2020) Appleyard, Woods Lane. Erection of 4 no. dwellings with associated parking and access arrangements. Parish Council response submitted.

- <u>T/00168/20/TCA</u> (Approved 9th June, Validated 29 April) Woods Corner, Woods Lane. Sycamore (T1/T2): Crown reduce by c.3m to a height of c.15m and to give a radius of c.3m to west and north and c4m to south and east. Ash (T3): Crown reduce height by c.3ms to a height of 15m and radius by c.2m to give average radius of c.4m. *Tree Warden/Parish Council Response: 'No objection to the work proposed but I would emphasise it should only be carried out late autumn/winter as it is nesting time for birds – unless it poses a danger and that doesn't appear to be the case. This is definitely not the correct time of year for tree work.'*
- <u>19/03304/HSE</u> (Granted 12 June, Validated 24 Mar) 3 Hackwood Lane. Erection of single storey side and rear extensions, basement, side extension and additional fenestration.

### To: Chairs, Councillors & Clerks

July 3 2020

### Dear All

I hope you and your families are all well and you are coping with these extremely difficult times?

You will recall that I wrote to you recently to cancel the meeting we had had planned on 25 June 2020 due to the Coronavirus. It is unlikely that we will be able to have a face to face meeting for some time.

You are therefore cordially invited to attend the next District Association meeting (including AGM) which we will run online:

Thursday 30 July 2020 18.30 – 20.30 Online – via Microsoft Teams

I'll send out a formal agenda in the next 2 weeks as we finalise the items, but to give you a heads up the key areas for discussion will include:

- Basingstoke Five-Year Land Supply impact on our communities
- Manydown current state of planning for the full project
- Hospital plans in Basingstoke
- Climate Change Emergency how we can work together to help Basingstoke become carbon neutral by 2030

These topics are very relevant to all our Parish & Town Councils, so please make every effort to send at least one representative from your Council. There will be plenty of time for questions.

Please let me know of any other specific topics that you would like included on the Agenda – click here.

To register to attend this virtual event please reply to this email or click on the button and complete your details. I will respond by sending you an invite (and joining instructions) for the online meeting.

I really hope you can make our Online Meeting on 30<sup>th</sup> July and look forward to seeing you 'virtually'.

These continue to be unprecedented times.

Please stay alert, control the virus & save lives.

regards
