ANNUAL PARISH ASSEMBLY

Ever wondered what's going on at Harwell?

What is that circular building, that looks more like a space craft, you see as you go over Bury Lane?

Well now is your chance to find out!!

At this year's Annual Parish Assembly we have a guest speaker Isabelle Boscaro-Clark of Diamond Light Source, Harwell (The Synchrotron project) who has kindly agreed to join us and will be giving a presentation explaining all that goes on at the "Diamond" (yes, that's what it is called).

You will also have a chance to put your questions to her.

This is one of the largest scientific projects for 30 years and is also on our doorstep!

So why not come along.

Please note the change of date

**MONDAY 23rd MAY at 7.30pm
in the village hall.**

**Next Parish council meeting will be
Monday 9th May at 7pm in the village
hall.**

Environment Working Groups

We have now set up three working groups as a direct result of our environment meeting.

They are:

- A Traffic working group, involving Ronnie Cook, Dries Hagen, Paul and Lynne Smith.
- A Play Area working group, involving Alison Banks, Dries Hagen and Sean Ryan.
- An Environment working group involving Philip Knight, Paul and Lynne Smith.

If you have any relevant information or queries for these groups please feel free to contact the councillors involved.

Extraordinary Meeting

There was an extraordinary Parish Council meeting on Monday 11th April to discuss the new charity deed between West Ilsley and Lockinge Estate.

There followed a lively discussion between all Councillors and some amendments were proposed. These will be forwarded to the Solicitor, Mr. Pike.

In general the amendments concerned the selection of the Trustees, the objects of the Charity and the financial management of trust funds.
