03 August 2017

Dear Rob and all at the Doddington Short Mat Bowls Club,

Thank you, you're amazing! Last year Anthony Nolan was able to find a match for over 1,200 people in need of blood stem cell and bone marrow transplants. We were able to do this because of incredible people like you. A huge thank you for supporting Anthony Nolan at your annual charity competition, and raising a really wonderful £373.04! This is a really brilliant amount, for which we are extremely grateful.

I hope you enjoyed the competition; thank you so much for forwarding your report of the day. It looks like it was a huge success! Please pass on our thanks to everyone that got involved.

At Anthony Nolan we match incredible individuals willing to donate their blood stem cells or bone marrow to save the lives of those with blood cancer. We are also working on ground-breaking research to make bone marrow and blood stem cell transplants more successful, giving people longer and better lives.

We are here to support you so if you have any further fundraising plans, or you are interested in knowing more about any aspect of our work here at Anthony Nolan, please call me for a chat on 020 7424 1344. I'm also very happy to give you a call on a number at a time that is good for you, just email me your details to beatrix.passmore@anthonymolan.org

Thank you again for all your hard work and support.

Best wishes,

Beatrix Passmore
