## Library report

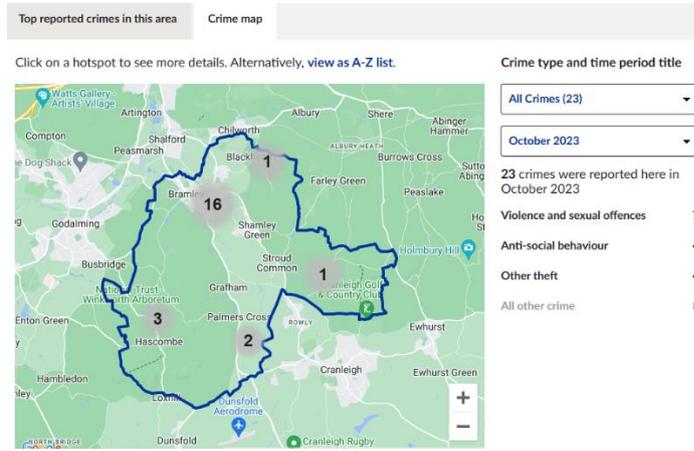

Rhyme Time continues to be extremely popular, often reaching standing-room-only capacity. Additionally, we have exciting plans for various Storytime and craft events scheduled for December 13th, February half-term, and a special visit from a children's author in March.

Our Christmas festivities include a beautifully decorated tree and our annual bauble hunt. As a token of appreciation, each volunteer received a gift for their dedicated hard work.

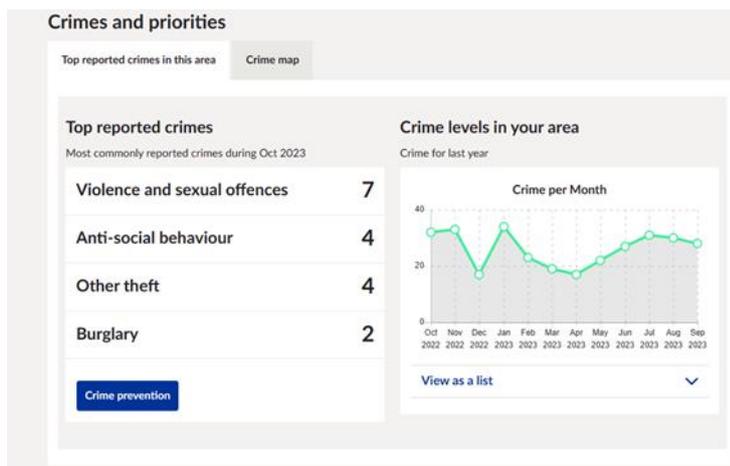

It's encouraging to note a significant increase in applications to join our volunteer team, reflecting a growing interest in our initiatives. However, the rising demands on our volunteers are noticeable, especially as Surrey County Council delegates more responsibilities, sometimes without the support of fully functioning systems.

## Police report

### Bramley, Shamley Green, Blackheath, Wonersh, Hascombe & Winterfold

## Bramley

Surrey Police has undergone a police efficiency, effectiveness, and legitimacy (PEEL) inspection by His Majesty's Inspectorate of Constabulary and Fire and Rescue (HMICFRS). Chief Constable Tim De Meyer welcomes the report, acknowledging areas of decline in performance since the last inspection in 2021. The report highlights both areas for improvement and positive aspects, including correct crime recording, investment in the contact centre, innovative schemes, fair use of stop and search powers, and improved community engagement. While addressing challenges, the force is committed to ongoing improvement and collaboration with partners.
