WARNING NOTICE OF TRAINING
TEMPLETON TRAINING AREA FEB, MAR & APR 2024

Please be aware that all activity on Templeton Training Area is to be in accordance with Templeton Training Area Bye Laws 2016 No 508 as posted at all entrances to the airfield.

The following training is currently planned for the month of Feb, Mar & Apr 2024:

- **Sunday 4th - Fri 9th February 2024**

It should be noted that pyrotechnics and blank ammunition may be used and that air activity (Fixed Wing/Helicopter) may also take place.

During periods of military training activity and licenced activity, members of the public are to only access the Public Rights of Way

Any training that may generate noise, such as a helicopter flying, due to take place after 1800hrs, will be listed separately.

These details are liable to change at short notice.

Senior Training Safety Officer
