## Message from the Editor

---

It is spring again and preparations are being made for the summer fete and dog show on Saturday 20<sup>th</sup> June, a parish wide litter pick, the new skate park and multi-use games area (MUGA), amongst other things.

In this edition we have included a tale from a local man about growing up in Scotland; we have information about the national VE day commemorations and what we are doing. We give notice of the upcoming Parish Council Elections and how you can get involved, and we ask in these days of electronic communications, do you want a paper copy of this magazine or do you want to download it from the parish council website?

Please remember to mention us if you use any of the advertisers listed as they need to know their adverts are worthwhile and we need the income stream to produce this magazine so you get it for free.

## Weston Turville Women's Institute

The WI is the largest voluntary women's organisation in the UK. It plays a unique role in enabling women to develop new skills and gives them opportunities to campaign on issues that matter to them and the areas where they live. We meet, with the exception of our August and December meetings, on the 2nd Thursday each month in Weston Turville Village Hall (19.30-21.30).

The Weston Turville WI branch was formed in March 2019 and welcomes women of all ages and backgrounds to our friendly local group. Forget the Jam and Jerusalem image.....It's about what you want it to be..... Our speakers and activities aim to reflect a wide range of interests that our members have. Not sure? Come along as a visitor to one of our meetings, have a chat over tea/coffee or a glass of wine and see what we are about.

March 2020 - Bagels and bacon

April 2020 - An evening of pottery

May 2020 - Fantastic fibres

*Do come along and join us for a great fun social evening.*

FRIENDS OF WENDOVER  
COMMUNITY LIBRARY  
Registered Charity 1157773

**OnScreen at Wendover Library** is a not for profit service provided by the Friends of Wendover Library to provide the best of new (and possibly some old) films to the community.

This has been made possible thanks to subscriptions and donations by the Friends group, enabling us to install a 72inch screen and Dolby surround sound in the Library meeting room, all of which provides a close to cinema experience.

There is no charge (although donations are welcome) and refreshments and snacks are provided free. It is run purely by volunteers and screening are usually on the third Friday of each month.

Drop into the library to see what films are upcoming.

## A war time tale from Scotland

It is strange how what you see or hear reminds you of something which occurred many years ago. I had been watching a TV programme related to the sinking of the German battleship, Tirpitz, when it brought back childhood memories of the war.

There had been considerable aerial activity in the northeast of Scotland during 1944. To a youngster, the aeroplanes we saw were noisy giants flying low over the land. They were from RAF Lossiemouth. The aerodrome had been constructed between 1938 and 1939 as a military airfield located on the western edge of the town of Lossiemouth in Moray. Geographically, north east Scotland was closer to Norway than London. Nothing was known by us children locally about war time operations for obvious reasons.

My family lived in a farm cottage about 4 miles south of Elgin, which was about 6 miles south of Lossiemouth. The view north from our house gave views of the surrounding area northwards towards Elgin and Lossiemouth but we could not see the airfield. At night the sound of large planes flying overhead could be clearly heard as we lay in our beds and I would imagine their missions as they flew over Europe.

Towards the end of October and beginning of November that year, there were noticeably more planes both day and night. It was quite awe-inspiring to us youngsters; the excitement and our vivid imaginations running wild. In later years I learnt why these huge planes were flying from Lossiemouth. The planes were Lancaster bombers and were preparing for the operation which destroyed the German battleship, Tirpitz. I saw a bit of history being made.

### **ANNUAL PARISH MEETING**

To be held at the Village Hall, School Approach HP22 5RW

on

Thursday 23rd April at 7pm

Including - Chairman & Committee Reports from your Parish Council and Village Hall Committee Reports - Parish Accounts 2019-20 and Budget & Precept for 2020-21

Chair Cllr M Jarvis will give a report on the Parish Council, Planning and new developments in and around the parish and there will be reports from Widow Turpins Charity & an open forum to hear views.

Followed by Cheese & Wine at about 8pm where you will have an opportunity to meet your Parish Councillors and discuss any issues informally that you may have.

Note -All Public and Press are very welcome to attend.

**Cllr Martin Jarvis, Chair Weston Turville Parish Council**

## **Annual Parish Meeting – 23<sup>rd</sup> April**

Our statutory annual meeting is being held on Thursday 23rd April 2020. We will have speakers representing different activities within the parish. The meeting will conclude with the opportunity to meet your local parish councillors over cheese and wine and discuss issues that affect you.

## **Village hall extension**

The new extension and alterations at the Village Hall are now complete. This has provided new changing facilities for sports teams along with a meeting room and office for the Parish Council. If you wish to meet with the Clerk or a Parish Councillor, please contact the Parish Council on 01296 612838 or via email. All meetings of the Council and its committees will now be held in the new meeting room.

## **Litter Pick – 18<sup>th</sup> April**

The Parish Council is supporting the Parish Litter Pick on 18<sup>th</sup> April and will be providing litter pickers, black sacks and high viz jackets to volunteers. Please come along and meet up at the village hall car park on the day or if you want to litter pick in your area on another day, let the Clerk know and she can arrange for you to borrow the equipment.

## **2020 Local Elections**

In May, elections are being held for the new unitary council “Buckinghamshire Council” and for Weston Turville Parish Council (Parish councillors). The latter provides an opportunity not only for you to elect 10 parish councillors, but to become one of them yourself! It is an excellent way of being directly involved in the way the community affairs of Weston Turville are run and can be constructive and fulfilling work. Contact Aylesbury Vale District Council in early March and ask for the requisite candidate forms – or speak to one of your current Parish Councillors to find out more.

## **Village Hall Car Park**

The Council would like to remind everyone that this car park is primarily for visitors to the village hall and playing fields. The school has permission for visitors to park there but school parents are encouraged to walk to school with their children or to park in the Five Bells car park and walk across. We have had complaints about parents arriving early for the school pick up and then sitting in their cars with engines idling in the hall car park. This is very unpleasant for neighbouring residents children walking through car fumes when they leave school – **Please switch off your engines and help save the planet!**

## Parking

A number of verges in the parish are being damaged by cars parking on the grass during the wet weather. Just a reminder that it is an offence for a vehicle to be driven on the grass verge.

## Precept

The precept is the Parish Council's portion of your Council Tax collected by AVDC. The Parish Council considers its income and expenditure for the upcoming year and sets the precept accordingly. For 2020-21, the Parish Council's precept increase equates to a 2% rise or additional £1.13 per year on a Band D equivalent property. The Council's audited accounts can be found on our website.

## Other plans for the future

- At the time of writing we are still awaiting a decision from Aylesbury Vale District Council on the planning application for a skate park and multiuse games area (MUGA) to be sited on the playing field. We have been out to tender for both items and the contractors are waiting to get started!
- We have had a request from the U3A for a petanque court and are looking into funding and permissions for this.
- We intend to turn the area north of the tennis courts into a wildlife area and it will be planted with wildflowers and other plants to encourage birds and insects.
- We will be creating 'better habitats for wildlife' by seeding some of our green verges.

## Village Hall

The ladies and gents toilets are being refurbished this year to ensure the building remains fit for purpose for the foreseeable future. The hall will be decorated over the summer and we are also looking at ways to improve the small garden area to the rear of the hall to make it usable throughout the year.

From February, meetings of the Parish Council and its committee will be held in the new extension to the right of the hall. Full Council meetings are normally held on the 3<sup>rd</sup> Thursday of the month (excluding August and December when there are no meetings) at 7pm. Most meetings finish about 9pm. **Everyone is welcome to attend.** Planning meetings are at 6pm on the 1<sup>st</sup> Thursday.

## What can we do for our Environment?

You cannot have failed to be aware of all the ongoing media coverage on environmental issues: Whether it is global warming, Friday protests by teenagers, the destruction of wildlife habitats, unusual weather patterns, heatwaves and droughts, stories about the use of old rubber tyres to patch roads, HS2 and ancient woodlands, the changes in the refuse tip/recycling centres opening hours and charges: whatever the headline is, the media has been full of it for months.

So what has it to do with the residents of Weston Turville?

There are the obvious concerns about ozone levels and the detrimental effect it will have on all of us, the local impact on our lives of our countryside being destroyed, the inconvenience of summer water shortages and hosepipe bans and the introduction of fees to 'dump' some household rubbish at the tip and flytipping.

I am not a scientist nor do I work in any council department that deals with the tip and fly tipping so I cannot say what, if any, of this is true. I personally think the summers are generally hotter and the winters are generally warmer and wetter; the reservoirs are lower during the summer and blue algae seem to be more prevalent.

I notice more large items fly tipped in laybys but less of the smaller items. It could be that I am now more aware of fly tipping so 'see' it more. I am very aware of all the new houses being built across the whole of the Aylesbury Vale and the increase in vehicular traffic which may or may not be correlated with this.

I notice when cars sit with their engines idling; when they are parked on pavements and across dropped curbs so people cannot walk on the pavements and mobility scooters and wheelchairs can't cross roads.

I notice the litter scattered around our green spaces and on the verges; the dog mess on footpaths and pavements where people walk. These may seem irrelevant in the scheme of things but they discourage people from walking and resort to driving thereby having a knock on effect on the volume of traffic using the roads.

Have you heard of the 'worry roundel?' Image 3 circles, an outer, middle and inner, like a dart board. If you hypothetically put all your worries that you can influence and control the outcomes of, in the inner circle: e.g. I am thirsty, hungry, the lawn needs mowing, the house needs cleaning; I haven't spoken to my friends for some time, are they ok? Well you have complete control about how to resolve those issues to stop you worrying about them. If you hypothetically put your worries which you can influence but not control in the middle circle i.e. I need a pay rise, AVDC keep approving planning applications without considering things that are important to the local area, the traffic is speeding through the village, my car isn't working properly, etc etc. You can use your

influence to help others decide how to deal with these situations. The final decision may not be yours or even as you would wish but you have tried to influence the people who can correct or decide these things. The final circle is for the things we cannot influence of control. They include international political affairs, the weather, punctuality of public transport, melting ice caps and so on.

We need to put our local environmental issues into the first category and do something about it! How can you help?

- ~ Join us for a litter pick on the 18<sup>th</sup> April, meet at the village hall at 10am or do the street where you live but let the Parish Council know - litter pickers, gloves and sacks are available.
- ~ Slow down when driving through the speed restricted areas; it is a maximum speed limit not a minimum one. If you don't care about speeding in the area you live why should a stranger?
- ~ Be careful where you park; are you blocking a pavement, creating a hazard, damaging a verge?
- ~ Turn your engine off whilst waiting for your child to come out of school.
- ~ Report any fly tipping to Highways using details on useful numbers page.
- ~ Recycle things, use the free recycle sites on line for Aylesbury, repair things using the monthly Repair Shop (see the 'What's On' page), sell things on Facebook market or eBay or at a car boot: if it is valuable sell it at the local auction house.

If we can show we care about our local environment and take a pride in living here then maybe, just maybe, the decision makers will listen to us and our ability to influence others to care about our environment will increase.

Mandi Simons

# Private Client Lawyers

for you and your family

“An outstanding niche private client firm...its practitioners are recommended as experts in their field, providing high-quality advice...its client service is second to none and every client is valued equally and treated with sensitivity and genuine compassion.”

LEGAL  
500

We provide expert advice from Wills, trust, charity and tax Solicitors and advisors. Whilst inheritance tax is an issue for most of our clients, we are also experts in advising on other potential threats to the family and its wealth, such as mental incapacity and divorce of children. We are exceptionally sensitive to clients' needs and take the time to understand their individual circumstances and priorities. As a result, our clients benefit from technically outstanding, bespoke advice which is explained clearly and in a straightforward manner. This allows clients to put in place the best arrangements for themselves and their families.

To help you review your current position we are happy to provide a free, no obligation one-hour consultation.

## Weston Turville U3A

2020 marks the tenth anniversary of our U3A and we are celebrating it in various ways. We have come a long way since the inaugural meeting and can now boast almost 450 members and over 40 different activity groups.

The celebrations start on *Thursday 28 May* with a launch event of afternoon tea and cakes plus a Bake Off competition.

The weekend of *12 – 15 June* sees a trip to the Isle of Wight and this is followed on *25 June* with a hog roast and entertainment.

On *10 November* we continue our celebrations with a quiz night and round everything off in 2021 with a 60's Night.

Further details about the various activities of the Weston Turville U3A branch can be found on the website: [www.wtu3a.org](http://www.wtu3a.org), or from our Secretary on 01296 613217

**Do come and join us. All welcome!**

## **WELCOME!**

I would like to say ‘Welcome’ to everyone who has arrived here in Weston Turville and we, the Church in Weston Turville, would like to welcome you in our Church. We would like you to come along to one or many more of our services. Actually we hope you’ll stay around for years and be a part of a community, which welcomes people.

But what of those of us who have lived here in Weston Turville for many years? We would likewise wish to welcome you into the life of your Parish Church.

Everyone is welcome because God welcomes everyone! We know Jesus isn’t fussy about who meet Him, in fact God likes to meet people and God loves everyone.

Your parish church can be found on Church Walk HP22 5SH in Weston Turville. We can be found on our website [www.stmaryswt.org](http://www.stmaryswt.org), [www.achurchnearyou.com](http://www.achurchnearyou.com) .

We are also raising money to build an accessible meeting room next to the church for use by the church and the residents of Weston Turville, (see <https://swift-wt.co.uk/home.html> for details).

All services are public, they are for all. If you live here you can be married here (subject to legalities), buried here, christened (yes adults as well as children), prepare for confirmation, prayed for ... and so the list goes on.

There is one health warning. Do not expect everyone in the Church to be 'perfect' all the time. We're not! We all have our off days or moments. We are all work in progress and hope God will continue to transform our lives, and yours too.

On Palm Sunday we have a special event in the evening and as with everything you will be welcome. Below is an invitation from Rev. Susan.

Like it or not God loves you.

Fr. David

**Music for Palm Sunday Evening  
Sunday 5th April 6.00 p.m.**

**St. Mary's Weston Turville invite you to a special service of well known Easter hymns, anthems and readings on Palm Sunday evening. The anthems will include music by Purcell, Handel, Anerio, Schutz, Stanford, Faure and Mawby.**

**Come and share this service and let us begin Holy Week together.**

## St Mary's Weston Turville Improving Facilities Team, SWIFT

The SWIFT Community Project will provide a modern meeting room with fully accessible toilet and baby-changing facilities and level access for wheelchairs. This facility is for YOU and the community of Weston Turville.

We are making encouraging progress. We have new planning permission and faculty. We have engaged a structural engineer. Archaeology and soil sampling contractors will be on site soon. We have raised £306,000 to date against the estimated £350,000 cost. We hope to start building this year but we ask for your help in raising the remaining sums.

Imagine yourself sitting in the new meeting room, admiring the attractive interior and the peaceful outlook onto grass, trees and the distant Chiltern Hills with bright natural daylight coming through the floor-to-ceiling windows. You may be there for your young child's birthday party, a chess club, charity event, book club, a regular meeting for mothers and toddlers or senior citizens, and all with accessible toilet and baby-changing facilities. You will be able to make tea and coffee and bring in your own light refreshments. I am sure you can think of more - the possibilities are endless. We already have expressions of interest from potential users and would be pleased to hear from you. Please help us to raise the final funds and turn these dreams into reality.

Our Bring and Buy Sale of Unwanted Christmas Presents in January raised a record £378. Thank you to all who helped and supported this FUN occasion.

**On Saturday 21st March we will have a Table-Top Sale for SWIFT in the Village Hall from 2 - 4.30pm.** If you would like to hire a table, at only £10, to sell for yourself or for any other charitable cause please contact Clare Chamberlain on 615214 or me. Or just come and buy to support SWIFT.

To donate, please send cheques "PCC Weston Turville, SWIFT" to the Rector, Revd David Wales, The Rectory, Church Walk, Weston Turville HP22 5SH or to Roger Fellows (Treasurer) at 65 Craigwell Avenue, Aylesbury, HP21 7AG. Transfers can be made to our bank account, PCC Weston Turville, SWIFT, a/c number 51685922, sort code 60-01-31. Please use Gift Aid to increase your donation by 25% at no additional cost to yourself.

For information about SWIFT or how you can help by donating or raising funds for the project, for standing order or Gift Aid forms, or if you wish to receive regular information on our progress please give your e-mail address to Roger Fellows. The SWIFT website: [www.swift.co.uk](http://www.swift.co.uk) is about to be updated

# Egg-citing Fun!

It wouldn't be Easter (or any other day) without eggs. Did you know that in 2018 the UK ate over 13 MILLION eggs? That's a lot of cakes, breakfasts and chickens. Eggs come in all sorts of sizes and colours and not all can be eaten. (Would you want to eat a dinosaur egg?)

They can also be very expensive. Beautiful Fabergé eggs like the one above, sell for over £20m.

## True or False?

1. The world's smallest egg is laid by a quail.
2. The largest egg on record weighed 2.589 kg.
3. A person eats on average a thousand eggs a year.
4. 3 eggs, or more is called a nest of eggs.
5. The smelly smell of a rotten egg is hydrogen sulphide.

Chef hats traditionally have pleats equal to the number of ways that you can prepare an egg. Can you think of all the different ways you can prepare an egg? Clue - a chef's hat has 100 pleats.

Answers to True or False  
1. F The smallest egg is laid by the vervain hummingbird. 2. T By an Swedish Ostrich called Thrut that 3. F  
It's around 300. 4. F It's called a clutch 5. T Also known as H<sub>2</sub>S
