

STONELEIGH AND ASHOW JOINT PARISH COUNCIL

POLICY STATEMENT - GRANTS

This Parish Council can make grants to individuals, groups, clubs and associations whose activity support/enhance the social well being of the constituents which it represents.

Applications must meet the following criteria:

- Demonstrate the need for and benefit of a grant.
- Financial support is to be used for specific capital or one-time cost projects, not in support of ongoing operating costs.
- The applicant must be a resident in the Parish and their activities predominately support residents and open to all residents.
- Demonstrate that after receipt of a grant the applicant's activities will continue on a sound financial basis.

Applications must be supported by sufficient and adequate documentation such that the Council can ensure that the above criteria are fully met.

This policy will be reviewed as required and within 5 years.
