Statement of Intent – "Lilleshall Voice is an independent voice for all those living in Lilleshall, The Humbers, Honnington, Brockton. It is managed by an editorial team of staff and reviewed by Councillors of Lilleshall Parish Council before print. We welcome criticisms or contributions and offer a right of reply to all residents. The inclusion of an article in this publication does not necessarily imply a recommendation of its aims, policies or methods, as all articles in Lilleshall Voice reflect solely the opinions of the authors writing in a personal capacity, unless otherwise stated".

# Reporting back

The use of emergency CPR is so important and can give someone a 75% better chance of living if administered with the use of a defibrillator.

Lilleshall Parish now has four defibrillators and as part of this rollout we've been working with West Midlands Ambulance Service and West Mercia Police to deliver emergency CPR training sessions to increase your confidence if you ever need to use a defibrillator.

The parish council is very grateful to those who attended our latest training session.

If you would like to be involved in future CPR and defibrillator training sessions please get in touch with the parish council to register your interest.

Following increasing concerns of anti social behaviour on Lilleshall Hill the parish council has been working with Telford & Wrekin Council and Borough Councillor Andrew Eade to secure funding for a surveillance system to be installed on Hillside Eade at the entrance to this road.

Contractors are due to be on site to install a CCTV system in September and surveillance will be monitored by Telford & Wrekin Council and the Police.

We are keen to hear your view on safety in the community and encourage residents to speak with your local parish councillors about your concerns.

# *A jubilant effort by all*

Right across the country the United Kingdom celebrated Her Majesty's Platinum Jubilee this year and in Lilleshall we were no different!

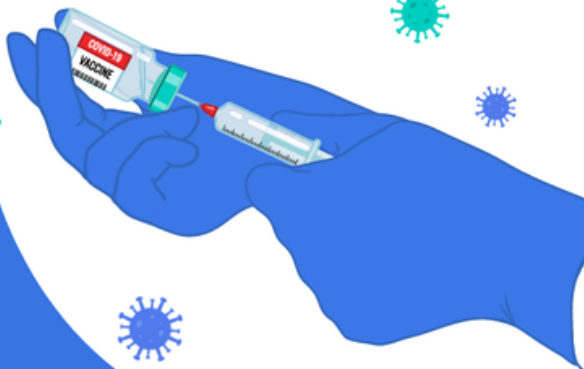

Thank you to everyone who attended the Afternoon Tea on the 2nd June and the Village Fete on the 5th June. The parish council has been overwhelmed with the positive feedback received off the back of these two events.

A special thanks should also go to all our volunteers who organised the events, Connor, Julie and Linda for being the event organisers and the big team of volunteers supporting them, as well as thanks to local groups who helped on the day and put on extra services to support the day such as the Lilleshall Cricket Club, 1st Lilleshall & Muxton Scouts, Lilleshall Village Tennis Club, Lilleshall Primary School and the likes of Ivan and Andy our local PCSO's for managing traffic for the village parade.

## *A new Clerk in town (well, parish)*

After what was supposed to be a three month stay to support the parish council during a difficult time in 2020, Connor Furnival has left his post as our permanent Parish Clerk after two years in post.

We would like to thank Connor for all his support and expertise over the last two years which has greatly helped our council progress in a more positive light and achieved so much more than we could have imagined.

We wish Connor all the very best for the future and congratulate his successor Chloe Martin, who joins us with a fresh and determined attitude towards local government the very best of success as she joins our team here at Lilleshall Parish Council. Chloe will continue to be supported by Julie, our admin support and our Councillors.

# Local clubs info

**Lilleshall Village Tennis Club** welcomes new members. If you are interested in joining a Club why not come along for 3 free sessions and see how it goes. We are a small club offering both social and competitive tennis. We do enter two men's and two ladies' teams in the Shropshire LTA Summer and Autumn Leagues and three social tennis sessions per week at the club. Membership is halved at the end of August and there are still many opportunities to play over the autumn and winter months. Rusty Racquet Ladies session is on a Wednesday morning. We organise weekly indoor sessions at Oakengates Leisure Centre from the end of October through to the end of March 2023. Please give me a call if you would like any further information (Pauline on 01952 604757), and take a look at our website.

**Lilleshall Cricket Club** have matches every Saturday until the 17th September ( the bar will be open for the Scarecrow Festival ) and also a match on Sunday 4th. The bar will be open so please come along. We will be running a full adult and junior program next season so please contact us if you interested in joining us : <https://lilleshall.play-cricket.com/Aboutus>

# parish what?

**Not sure what a parish council is?**

**Don't worry**, that question is more common than you think, but we're here to help you understand...

- Parish councils are your most **local level of government** and they elect Councillors who represent you and look after some local council services.
- They **represent your parish only**, there will be other parishes surrounding yours so it's worth having a look here: [www.gov.uk/find-local-council](http://www.gov.uk/find-local-council)
- We are **not part of any church**, despite the use of "parish" in our name.
- When issues are found in the area, such as dog fouling, speeding, lack of library services or allotments, **we're here** to look into those things for you and try resolve or improve them.
- Quite often, our **Councillors are not paid**, they're volunteers who **meet regularly** to discuss issues in the local area and come up with solutions.
- **Councillors are supported by paid staff**, who oversee the day to day running of the council and to carry out the decisions of the Councillors. All councils have a Clerk (Head of Paid Service), some have more staff.

**There's a lot more to your parish council than meets the eye, so why not drop in on your next council meeting or contact your Councillor. Or even think about joining your council and representing your community!**

**Stand up and be counted!**
