**Village Voice would like to wish all readers a safe and peaceful
Christmas and a healthy New Year.**

THANK YOU

To start with, a few words of thanks to all those who work selflessly in the background for the good of the Village and in the upkeep of its Hall.

I would particularly like to thank and pay tribute to the Village Hall Management Committee and their spouses, who have continued to serve the community to the best of their considerable abilities. Iris Osborne, for running the Support Fund, and for her hard work as Secretary and Treasurer, Sheila Bransfield for managing the Hall bookings and Karen Ault, Jude Manser, Chenice Butterworth and Bill Yeoman.

We must also thank David Hayfield, who willingly undertakes whatever urgent maintenance is required - and who erects and decorates our tree so beautifully every year, and the many others who give of their time for the benefit of others. I should also thank the regular hirers of the Hall, who so obviously value and enjoy the facilities, and without whom we would not be able to ensure the upkeep and provide the enhancements for the benefit of all villagers.

On a personal note, I must also thank Bill Yeoman, Karen Ault and Jude Manser for helping me distribute the Village Voice each month, whatever the weather.

Jon

Senior Citizens Christmas Party

I am pleased to be able to say that the Christmas Party will be going ahead as planned this year, with plenty of people signed up for an evening of food and frivolity. However, in light of the current situation - infections rising, new Omicron variant with accompanying uncertainty as to its virulence and susceptibility to the vaccines, we are proposing a number of precautions to protect all involved:

1. We would ask that you undertake a Lateral Flow Test* on the day of the party, and not attend if this is positive for Covid
2. We will rearrange seating, so that instead of the usual 2 x long table set-up, there will be 6 tables of six, spaced as far apart as possible. Your food will be brought to you at the table and the people doing the waiting will be wearing facemasks
3. We will minimise as far as possible the need for close interactions at each table, so no crackers or nibbles I'm afraid!
4. In line with current common practise there will be no communal singing from the attendees while the Greyhound Buskers Ukulele Band provides the entertainment.
5. Following Government advice, we will be opening as many doors and windows as possible for short periods throughout the evening to disperse any build up of Virus but hoping to avoid anyone finding this too cold or uncomfortable.

By these means we hope to ensure that people have as good a time as possible without jeopardising their health in the run-up to Christmas. We also hope these measures will go some way to reassure those wondering whether it will be safe to attend. If you are unable to attend for any reason, please let me know as far in advance as possible, on 847705.

* Lateral Flow Tests are available from Chemist stores or online via the NHS website.

Reindeer Drive

Due to the nature of the event, with constant changing of seats throughout the evening, it is considered that holding an evening of this nature is not appropriate at this time.

Accordingly, the event has been postponed for the time being.

Carol Service

Sadly, for similar reasons, **it will not be possible for the Carol Service to go ahead.**
