## WW1 COOK BOOK

Following the recent talk on WWI food we have produced a booklet of information and recipes which is free to all residents. Please take a copy from the Village Hall. Printing was paid for by the county council. There are also a number of cook books in the hall which need a new home.

Please feel free to help yourselves.

## HISTORICAL RIVER TRIP

We are organising a historical river trip down the Trent on a small barge that takes a maximum of 12. It is specially adapted for wheelchairs and walkers.

All the places have already been booked, at a charge of £10 each, but if there is enough interest we can arrange another trip. If you would like to find out about further trips please sign the form in the Village Hall, with your contact details, and I will get in touch if there's another sailing available on a different day.
