WALK FOR PARKINSON'S

I am delighted to let you know that our Walk for Parkinson's at the beautiful Welford Park is taking place on Sunday 28th April. Our walk helps us to raise vital funds and awareness for Parkinson's which is essential in helping us to find better treatments and a cure, whilst supporting everyone affected by Parkinson's.

Every hour, two people are diagnosed with Parkinson's, because we are here no one has to face Parkinson's alone.

If you would like to know anything more about the event or the work of Parkinson's UK, please do get in touch – I'd be pleased to hear from you.

ILSLEY UNDER 5s

Are you a parent, grandparent, carer of young children? Come along and join our friendly local stay and play group running Wednesday mornings **9.45-11.15** at West Ilsley Village Hall. There are plenty of toys and activities to keep young ones entertained and hot drinks for the grown ups. The session includes snack and song/story time. The group always welcomes some hands on help so if you live locally and have a little spare time to come along and meet some local families and get involved, we'd love to hear from you!

If you are planning a party or event remember the small tables and chairs are available for hire throughout the year for a donation of £10.

If you are interested in finding out more about volunteering, hire of equipment or simply to find out more about the sessions please contact us at jillian.hobbs@outlook.com or 07857840727. Remedial body Therapy

Rachel uses a combination of Remedial sports massage and McTimoney chiropractic to address problem areas. Treatment aims are to encourage **symmetry**, identify muscle **imbalances**, **improve posture** and **alleviate discomfort**.

Not In pain? It is also a good idea to get yourself assessed even when you are not in pain as a preventative way of fine tuning your posture and spotting minor issues before they build into bigger problems.
