Devon Colts Under-25s match report **for Exec Meeting 29-Jan-2024**

Devon were drawn against Somerset. One team to play at home and one away at Taunton.

The team was as follows: -

Home – Connor Fielder, George Demuth, Jack Lenton and Jordan Kingshott.
Travelling reserve – George Demuth

Away – Andrew Moore, Christopher Moore, Ella Crouch and Nicole Rodgers.
Travelling reserve – Leanne Evans.

A last-minute change to the team had to be made on the morning of the match whilst we were travelling due to a squad member being unable to play. It was too late to completely change players from one venue to the other and had to go with what we had available. It wasn't ideal and if we had more notice, we could have probably re-arranged both squads.

At Tiverton the Devon squad were up against it with the squad that Somerset put out and just when we thought we were going to pick up the end, Somerset got the shots. Devon did try to fight back but with no avail. At the end of the day Somerset were the better side and deserved to win.

Unfortunately, the home squad could not get one shot on the board, an extreme freak result and in eight years of being around the Devon Colts set-up with our two boys, one that we have never witnessed!
