

Notice Boards

The Parish Council provides notice boards at the bus stops (2) in the High Street near the traffic lights, outside Vine House, near the A229/Pinnock Lane junction, at the Station Road northbound bus stop and at The Parade. The latter was replaced in 2012 with funding help from The Lions.

The boards are for local organisations and the Parish Council to advertise their events and give information.

The Parish Council also has a noticeboard at the Village Centre on the High Street for the display of meeting agendas and notices.
