- 6869 Declarations of Interests for items on the agenda, changes in Register of Interests, Requests for dispensations.** None.
- 6870 To receive reports from TVBC and HCC** – Cllr McDonald said that TVBC was able to provide support for flooding. Cllr Whitaker noted the fast response with sandbags for Church Road recently and asked that thanks were passed on. Mid-Test Matters is available on the website.
- 6871 Points from the floor** – Mrs Piggott of Ivy Cottage asked for feedback on a draft letter that she plans to send to a number of Highways and other TVBC and HCC departments asking for their help to resolve the rising water levels impacting properties in the Square. The resident asked the Parish Council to also write to Highways asking for action to help the homeowners and the Chair agreed to ask the Clerk.
- 6872 To approve the minutes** of the previous NWPC meeting on 11<sup>th</sup> December 2023 – These were approved and signed by Vice Chairman - Cllr Bedford as Cllr Whitaker was not at that meeting.
- 6873 Cllr reports :**
- Playground/Playing Fields** – Good feedback has been received from residents.
- Village Green** – It was reported that a quote for the bridge and handrail have not been seen.
- Highways & Traffic Calming** – Cllr Bedford spoke with Cllr Sanger of OWPC to support a single Speedwatch camera, this was item 6854 from December 2023 meeting. He had also contacted Mandy Ware at HCC about obtaining licences for 2 locations.
- Footpaths & Lengthsman** – A comprehensive summary was received from the Footpaths Officer and the Cllrs noted their appreciation for the work done by Piers Bingley and the 'chain saw gang' who helped with recently fallen trees.
- Village Hall** – Octopus Energy are to install a smart meter in the Hall on 10 January as well as on the Green and in the Pavillion on the 9<sup>th</sup> of February.
- Parish Hall** – Elizabeth Roseveare gave an update . The hall has managed to run at a small profit, largely through reducing costs, rather than receiving more bookings. The Hive solution has proved useful and Councillors wondered if this would be beneficial for the bookings manager to monitor the Nether Wallop Village Hall remotely.
- Five Bells Pub** – A Community Asset- David Angwin provided a situation update from the initial meeting held last week and attended by around 40 people. To proceed, it will be key to demonstrate proof of funds available rather than pledges, and to have a strong business plan to present. A pop-up pub will be held on Friday 12<sup>th</sup> of January in the Village Hall to help raise funds for steering this initiative. Cllr Macdonald said there were grants available from TVBC that may help those campaigning. The key date is 21 June 2024, once TVBC has been notified that parties are interested in making an offer.
