

## **STOCKTON PARISH COUNCIL**

### *Guidelines for Broadcasting and using Social Media at Council Meetings*

The right to record, film and to broadcast meetings of the Council, Committees and Sub Committees is established following the Local Government Audit and Accountability Act 2014. This is in addition to the rights of the press and public to attend such meetings.

1. The Council will make the meeting room available to the public 15 minutes before and after meetings for the setting up and removal of any filming equipment.
2. Members of the public are permitted to film or record meetings to which they are permitted access, in a non-disruptive manner and only from public areas.
3. Meetings or parts of meetings from which the press and public are excluded may not be filmed or recorded.
4. The use of digital and social media recording tools, for example Twitter, blogging or audio recording will be allowed as long as it is carried out in a non-disruptive manner.
5. Councillors who choose to use social media during Council meetings must refrain from disrupting other Councillors and Council debate.
6. While those attending meetings are deemed to have consented to the filming, recording or broadcasting of meetings, those exercising the rights to film, record and broadcast must respect the rights of other people attending under the Data Protection Act 1998.
7. The Chairman of the meeting, or any such Council representative as designated by the Chairman, has the authority to stop a meeting and take appropriate action if any person contravenes these principles or is deemed to be recording in a disruptive manner.
8. Any person or organisation choosing to film, record or broadcast any meeting of the Council is responsible for any claims or other liability resulting from them so doing and by choosing to film, record or broadcast proceedings they accept that they are required to indemnify the Council, its members and officers in relation to any such claims or liabilities.
9. The Council asks those recording proceedings not to edit the film or recording in a way that could lead to misinterpretation of the proceedings, or infringe the core values of the Council. This includes refraining from editing an image or views expressed in a way that may ridicule, or show lack of respect towards those being filmed or recorded.
10. The Council will display the requirements as to filming, recording and broadcasting at its meeting venues and those undertaking these activities will be deemed to have accepted them whether they have read them or not.
11. The Council will publish the guidance on the filming, recording and broadcasting of meetings on its website.
12. During remote meetings, if a member of the Public wishes to record the meeting, they may do so, as long as they are present whilst the recording takes place and can be positively identified at all times during the meeting. If any member of the Public cannot be positively identified when asked if they are present, the Chair reserves the right to request termination of the contact with the meeting host.

This policy was amended by Stockton Parish Council on 19th June 2023 and will be reviewed in three years' time, at the AGM.
