

AGAR 2023-24 – Explanation of restated value for Fixed Assets

Accounting Statements 2023-24

Box 9 Fixed Assets has been restated in the previous year 2022-23 since the village green had previously been included with a proxy value of £1. The purchase price of £52,823 has been added to the Asset Register to comply with JPAG guidelines and the previous year's asset value has been adjusted to reflect this change and for comparison purposes.
