Section 3 - External Auditor's Report and Certificate 2022/23

In respect of

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a limited assurance review is set out by the National Audit Office (NAO), A limited assurance review is not a full statutory audit, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website https://www.nao.org.uk/code-audit-practice/quidance-and-information-for-auditors/ .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with Proper Practices which:
