## Lilli Marlene

Underneath the lamplight G7 By the barrack gate Darling I remember **C7** The way you used to wait Twas there that you whispered tenderly That you loved me And would always be Dm7G7 C My Lilli of the lamplight G7 C My own Lilli Marlene Orders came for sailing G7 Somewhere over there All confined to barracks Was more than I could bear I knew you were waiting in the street, I could hear your feet F But could not meet Dm7G7 C My Lilli of the lamplight C My own Lilli Marlene C Resting in a billet G7 Just behind the line, Even though we're parted C Your lips are close to mine You wait where the lantern softly gleams

G7
Your sweet face seems
F
To haunt my dreams

My Lilli of the lamplight
G7 C

Dm7G7 C
My own Lilli Marlene

My own Lilli Marlene
