Speeding down Middletown Lane:

- 1) Although the overall speed has decreased, Wayne commented that there were still vehicles speeding at 60 and 70 mph along Middletown Lane. It was suggested that, if possible, the registration numbers of speeding vehicles be noted and passed on to PCSO Gary (contact details on website).
- 2) Wayne also suggested that 30 mph stickers be obtained from WCC to stick on refuse bins.
- 3) Cllr Davies again sent his "call to arms" emails seeking support votes for the Alcester North Safer Neighbourhood Team - Community Forum Priorities, requesting Sambourne had police presence with the radar gun in Middletown Lane. We were successful in getting this request on the ballot paper but at that stage not aware of the outcome.
