

St Ippolyts Parish Hall

Charity number 1072025

Can you spare some time
to help us run our very
popular **Parish Hall?**

We need **two more trustees** to help this local community venture to run smoothly and to carry on as a central landmark in St Ippolyts parish.

The Hall is widely used by a variety of local organisations and private enterprises who provide a range of activities such as Toddler Groups, Dance Classes, Dog Training, Social Events and many more.

It is not too much work.

There are **three Management meetings** and an **AGM** a year to ensure the Parish Hall is running smoothly and to organise the Christmas Fair.

If you could spare some of your time to secure the Hall for the future please call the Chairman of the Trustees, **Frank Harding** on **01462 459124** or harding.wychling@btinternet.com
