

# Clapp's Mead Signage Report.

## 1. "Dogs on Leads" signs.

As pointed out by Mrs Crisp, the signs on the play area fence saying "dogs on leads" are very confusing given that dogs are not allowed in the play area, as per the red signs on the gates.

Northern gate.

Southern gate.

Cllr George Dunn has agreed to remove them.

The signs will be saved as they may be erected elsewhere in the field, depending on the decision as to whether dogs are required to be on leads within the rest of Clapp's Mead.

## **2. Location and Emergency Sign.**

The Clerk has spoken to Mrs Lyn Crisp who is happy to have this notice in the noticeboard located near the main gate.

It has been approved by Mr Ken Hussey – on next page..

Mr Hussey suggests that the same information should be displayed inside the children's play area.

The Clerk suggests using “clip” frames, so that the notice can easily be changed e.g. change of telephone number. These can be screwed to a suitable flat surface

They cost approximately £10 each.

# CLAPP'S MEAD PLAYING FIELD.
