PLANNING	Cllr Clayton		
Discussion	<p>The latest information showed that the only site in Nonington that was going forward to the Local Development Plan was the Prima site and had a timescale of 6 years before anything might happen.</p> <p>Flyers had been prepared to deliver to all households but they had now been superseded by the removal of Church St as a development site. Although there is a possible plan for solar panels but this has not been confirmed.</p> <p>Cllr Clayton stated that Kent Association of Local Councils had taken up the objections to the Local Plan particularly in regard to traffic increases in surrounding villages and was working up objections.</p> <p>He had also been contacted by an expert on planning regulations and who offered his services. The cost was prohibitive but Cllr Clayton thought that perhaps the cost could be spread around other councils.</p> <p>See the dedicated website page for information on the Housing and Land Availability Assessment (HELAA)</p> <p>https://www.hugofox.com/community/nonington-parish-council-15998/helaa/</p>

TRAFFIC GROUP	Cllr Tee		
Discussion	<p>The new lockdown meant that any traffic meetings or surveys were on hold.</p> <p>A new dashcam had been purchased and would provide good video of nuisance motorbikes once the power supply issued had been sorted. Cllr Norton was in the process of identifying suitable power supplies.</p> <p>Cllr Clayton reported that air quality monitors could be a useful tool for our issues with traffic increases. He would get prices for the next meeting</p> <p>Motorbikes were still an issue and parishioners were urged to telephone the police using the 101 number every time there was an incident otherwise the police would think nothing was amiss.</p> <p>A parishioner also said that traffic lights recently used on the sharp corner in Easole St. were very a great improvement on safety and traffic calming.</p> <p>http://www.noningtonpc.co.uk/community/nonington-parish-council-15998/highways-improvement-plan-draft/</p>

PUBLIC INPUT AND OTHER BUSINESS			
Discussion	<p>Green Day litter picking was not possible until guidelines were given by DDC. Anyone who wished to litter pick could contact the PC for advice and equipment.</p> <p>DDC have requested a Community Impact Report sent to them. Cllr Tee said he would do this and asked councilors to forward him issues that needed reporting.</p> <p>A parishioner brought up the subject of the graffiti on Church House. Cllr Plumtre said she would deal with it herself with an employee.</p> <p>The fence behind the village hall had still not been fixed. The Clerk would get legal advice from KALC</p>
