

Shedders build scooter rack for grateful Vallis schoolchildren

SUSIE WATKINS

newsdesk@westgaz.co.uk

VALLIS pupils have formally thanked Frome Men's Shed for installing their new scooter storage rack.

The Men's Shed undertake small projects for other community groups, and when Frome's Missing Links asked them to help provide storage to keep Vallis pupils' scooters safe and tidy, they were happy to help. Shedder Leon Russell said: "We've made a scooter rack before for Trinity School, so we used the same method."

"It's great fun to be able to help the schools."

"As it is nearly four metres long, delivering it wasn't easy."

"It is painted Vallis green' to match the uniform, and as the wood is treated it should last for a good long time."

The Frome Men's Shed is based in the Welshmill Hub and is open every Thursday from 9am to 1pm. Anyone is welcome to visit or join in.

The Men's Shed provides men with a place to meet up, share and learn new skills, as well as chat and drink tea.
