

MILBORNE ST ANDREW PARISH COUNCIL
13 Stileham Bank, Milborne St Andrew, Dorset, DT11 0LE
07419 136 735
milbornestandrew@dorset-aptc.gov.uk
www.milbornestandrew.org.uk

Dear Councillor,

You are summoned to attend a meeting of the **Parish Council** to be held on **Wednesday 04th October 2023 at 7.00pm** in **Milborne St Andrew Village Hall**.
Absence should be given to the Clerk/Chair prior to the meeting.

Wayne Lewin

Parish Clerk and Responsible Finance Officer

The meeting is open for members of the public and press to attend. Members of the public are invited to ask questions of the Council concerning Agenda items or other matters. During the meeting, with permission of the Chair, any member of the public may comment on an issue being debated by the Council to provide information or clarification. This facility will normally be limited to a maximum of three minutes per person on the subject being debated.

Full Council

1. Apologies for absence
 2. Declarations of pecuniary or other interest
 3. Minutes of the previous meeting held on 06th September 2023
 4. Clerk's report
 5. Chair's update
 6. Public participation (items on the agenda)
 7. Parish Councillors and representatives' reports that effect Parish Council matters
 8. Dorset Councillors report
 9. Planning
 10. Financial matters
 - a. Payments for authorisation
 - b. Half year budget report
 11. Sandbag storage, usage, and disposal
 12. Request for landlords' permission to install an artificial cricket strip at the Sports Club
 13. s106 application from sports club for installation of cricket pitch
 14. Disposal of assets (planters on A354/Milton Road junction)
 15. Parish Council website - costings
 16. Public participation (items not on the agenda) – for discussion only
 17. Items for the next meeting
 18. Date of next meeting
- 01st November 2023
Milborne St Andrew Village Hall at 7pm

MILBORNE ST ANDREW PARISH COUNCIL

13 Stileham Bank, Milborne St Andrew, Dorset, DT11 0LE

milbornestandrew@dorset-aptc.gov.uk

www.milbornestandrew.org.uk

**Minutes of the Full Council held at the Village Hall, Milborne St Andrew
on Wednesday 06th September 2023 commencing at 1900 hours**

Present:

Cllr's Amy Stephens, Richard Macnair, Ash Batchelor, Rob Greening, and Jane Macleod

Cllr Emma Parker (DC)

12 members of the public

Prior to the formal opening of the meeting, a moment of reflection was followed by a round of applause to mark the passing of Cllr Caron Redding.

Full Council

1. Apologies for absence

Cllr Jayne Williams sent apologies.

2. Declarations of pecuniary or other interest

Cllr Stephens declared an interest in agenda items 9b and 20.

3. Minutes of the previous meeting held on 05th July 2023

Minutes of the previous meeting held on 02nd August 2023

These were both approved as a true and accurate record of the meetings.

4. Clerk's report

The Clerk provided an update from previous minutes, correspondence, and other matters. There were no questions from members or the public.

5. Chair's update

Cllr Macnair confirmed he had received correspondence from members of the public as to the condition of the gate on the route to Tolpuddle.

He had spoken to the landowner who was loath to replace the gate as the damage to the existing one had been caused by off roaders.

It was also noted that the village sign on the Dewlish road had gone missing.

6. Public participation (items on the agenda)

The Chair confirmed that he was content to receive representation at specific agenda items.

7. Parish Councillors and representatives' reports that effect Parish Council matters

There were no matters to discuss.

8. Dorset Councillors report

Cllr Parker spoke on the following matters:

The next tranche of the Household support grant was opening.

That Dela Jones, a Ward Councillor for many years has passed away.

9. Planning

a. P/VOC/2023/04505

The Old Rectory, Chapel Street, Milborne St Andrew, Dorset, DT11 0JP

Erect single storey extension & re-instatement of former chimney (with variation of condition no.1 Planning Permission P/HOU/2021/04242 to amend approved plans)

The Parish Council supported this application.

b. P/HOU/2023/04749

18 Homefield, Milborne St Andrew, DT11 0JT

Erect single storey side and rear extension

The Parish Council supported this application.

P/HOU/2023/04534

Former Coach House The Old Rectory Chapel Street Milborne St Andrew

Install dual pitched dormer windows to north elevation. Install rooflights and solar panels to south elevation.

The Parish Council supported this application.

10. Financial matters

a. Payments for authorisation

There were **10** payments (**PV'S 30-39**) totalling **£ 1256.39**, that were authorised and approved for payment.

11. Future of the grass cutting contract

Cllr Greening recommended that the optional one-year extension be activated, with a no mow May trialled for 2024 in areas other than the Village Hall field.

Further to this, a full procurement must be undertaken in 2024 if the new council wish to continue with this project.

All members agreed.

12. Sandbag storage, usage, and disposal

Cllr Stephens had produced an outline proposal for the storage.

Members were all in support of the project and requested that she came back were a formal, costed, proposal at the next meeting with a view to getting this completed by the winter.

13. Procurement of new gates on footpath E14/21

The Clerk confirmed that that DC had received the request, but the project was not high on their list.

It was agreed to remove from the agenda until more information was obtained from Dorset Council.

14. Pedestrian signage on Dewlish Road

The Clerk confirmed that the missing village sign on the Dewlish Road had been reported and that it had been requested that Dorset Council look at combining the 'pedestrians in road sign' request with a new village sign. It was suggested that an alternative location be suggested for the sign.

The issue, at this time, seems to be cost.

15. Purchase of Table Tennis equipment for Village Hall via s106

The Chair confirmed that a 'inclined to support' was agreed during the recess.

Support by all members was ratified.

16. Purchase of the unknown Tommy / wreath / refreshments for Remembrance Sunday

The following requests were made to the Parish Council:

The purchase of a pair of unknown Tommy's, which would guard the memorial stone. The cost was £350.

This was supported with the funds coming from the Community Asset Fund.

The wreath was support with funds coming from the Community Fund.

Refreshments prior to the service was supported, with funding from the Community Fund.

17. Proposal(s) to mark closing of Post Office

The Parish Council would consider any proposals that that comes forward from the public. A vote of thanks was given to Philip Smith for his outstanding contribution to the community.

18. Viability of remote post office to Milborne St Andrew

The Parish Council supported the principle of a community group coming forward to coordinate such a project.

19. Grant to village website

The Parish Council supported a proportional payment with other user groups using the website to enable this to continue.

20. s106 application from village hall for teens meeting place / shelter

The Parish Council declined to support this application due to the it not being compliant with the s106 protocol, and competing outstanding bids for the funds, critically the traffic calming project, which would be deemed a higher priority, as per the Neighbourhood Plan.

21. Additional defibrillator for Hopsfield area

The Parish Council supported this in principle, subject to a suitable location being found.

22. s106 application from sports club for installation of cricket pitch

The Parish Council took representation from the applicant, players, and the Sports Club. An extensive discussion was had with members asking questions on the consultation, community need, funding arrangements, accessibility, and playing terms.

Councillors, in principle, supported the general idea of a cricket strip and inclusive Milborne St Andrew Cricket Club.

Members thanked the applicant for his guarantees that the strip would be free for use by the parishioners of Milborne St Andrew when matches were not in progress, and a guarantee from the applicant that players from Milborne St Andrew would always be prioritised to play ahead of others from outside the village.

However, looking at the whole application, broken into three areas, the Parish Council struggled to find the connection between the s106 funding from Huntley Down and the formation of a new Milborne St Andrew Cricket Club.

It was additionally suggested that the turning around of the football pitch be funded by the Sports Club, whilst the request for an electronic scoreboard and storage hut seemed rather excessive.

The competing bids for the same pot of money were also noted with councillors reiterating the need for the ongoing Traffic Calming Project to be prioritised in line with the Neighbourhood Plan.

To that end, members recommended that a new application be submitted and the current one withdrawn.

This was accepted by the applicant.

23. Public participation (items not on the agenda) – for discussion only

It was asked if a handrail could be inserted by the steps in the Snicket.

It was confirmed that this was not Parish Council land, but that a note had been sent to the landowner.

It was asked if the overgrowth on the Right of Way past the beeches had been reported.

It was confirmed that the parish Council had reported it, but it was a landowners responsibility to clear it via Dorset Council.

24. Items for the next meeting

Formal proposal on the sandbag store

Revised s106 application on a cricket pitch at the Sports Club.

25. Date of next meeting

04th October 2023

Milborne St Andrew Village Hall at 7pm

There being no further business the meeting closed at 2101 hours.

Richard Macnair _____ **Chair to the Milborne St Andrew Parish Council**

Clerks Report – October 2023

Update from the previous meeting

1. DC offered to fund 'pedestrian in road' signs
2. Wreath arrived for Remembrance Sunday
3. Contractor accepted one year extension on grass cutting

Correspondence

1. Update on high levels of soil on the HiP
2. Notification of tree works

Other Matters

1. Arrival of the new planters for Milton Road / A354 junction
2. Wessex Water notification of upgrade to sewage system

MILBORNE ST ANDREW SPORTS CLUB

Registered Charity No. 1091790

Milborne St Andrew Parish Council
c/o Wayne Lewin
Clerk to the Council

24th September 2023

Milborne St Andrew Sports Club
in conjunction with
Milborne St Andrew Cricket Club
The Pavilion
Lane End
Milborne St Andrew
DT11 0JA

Dear Councillors,

Milborne St Andrew Sports Club – Development of Community Cricket Facilities

The Milborne St Andrew Sports Club has recently been approached by the Milborne St Andrew Cricket Club to facilitate the Cricket Club playing Cricket at the Sports Club for the 2024 season and going forward.

As such, and after research, the most cost effective and labour effective option is to install an artificial wicket at the Sports Ground on the lower pitch (in the original centre circle), and rotate the lower football pitch to a North/South orientation.

This will then leave an additional space between the wicket and the bank, which we foresee as being available all year round for the community as a general space for sporting activities.

The only restriction we would anticipate utilising on this space is when formal football or cricket matches are being undertaken on the lower pitch, or if weather conditions would cause detrimental damage to the area.

To this end a Troika involving the Milborne Sports Club, the Milborne Football Club and the Milborne Cricket club will form a working group to carry formal sporting activities forward in a way that is advantageous to all concerned.

On this basis, the trustees write to you to formally request, as our landlord, permission to install an artificial wicket. This is on the understanding that this request also requires keeping and relocating the lower football pitch to a North/South orientation.

Should you have any further queries or require any further information please do not hesitate to contact us jointly.

Yours faithfully,

Signed: Richard Lock Kelvin Dormer-Wooley Ben Elliot

Richard Lock (on behalf of the Milborne St Andrew Sports Club Trustees)

Kelvin Dormer-Wooley (On behalf of the Milborne St Andrew Football Team)

Ben Elliot (on behalf of the committee of the Milborne St Andrew Cricket Club)

The Project

Please describe the project in detail, and its purpose/objectives. Please attach any relevant documents

With the formation of Milborne Cricket Club (MSCCC, or MCC for short), the project is to create an artificial wicket and provide the relevant equipment to start cricket for the 2024 season. The club has been registered with the Dorset Cricket Board and England Cricket Board.

The club has been formed to provide cricket facilities to the local population of Milborne St Andrew and the surrounding area and going forward will be an integral part of the Sports Club. With a primary school in the village, a local population (within 5 mile) exceeding 5000 people, and no immediate cricket club between the Puddletown Bypass and Blandford, this is a fantastic opportunity to provide the facilities for the local population.

Cricket is very much in the limelight. With the Hundred Series being prominent as well as Ben Stokes reigniting Test Cricket across the world. Additionally, women's cricket leading the way in equality in sport, it is the intention to form a lady's team as well as a starting a cricket academy for youngsters in the region using the facilities further.

The projects linked to this particular funding application will be:

a. Land preparation ready for orientation of the football pitch to make way for the cricket pitch – (To be either self-funded or through additional grants and fundraising)

To include levelling of the raised area on site to bring the levels down to the height of the second pitch, so that the football pitch can be rotated through 90 degrees.

Excavator and dumper hire: £490 + VAT
 Stone burier hire: £250+VAT
 Grass Seed: £280 inc VAT
 Levelling and pitch preparation works £1500 + vat

b. Installation of Artificial Wicket – S106 Grant

To include digging of foundations, installation of shock pad and final artificial surface
 Excavator and dumper hire: £490 + VAT
 Aggregate: £3080+VAT
 Geotextile: £180+VAT
 Artificial Wicket Surface: £3899.99 inc VAT
 Artificial Shockpad underlay: £899.70 inc VAT

c. Installation of Scoring Shed and Score Board - (To be either self-funded or through additional grants and fundraising)

To include digging of foundations, installation of prefabricated shed
 Excavator and dumper hire: £490 + VAT
 Aggregate: £400+VAT
 Geotextile: £43+VAT
 Concrete: £220+VAT
 Prefabricated shed: £2100 inc VAT and Fitting
 Electric Scoreboard, Wiring and Fittings (inc installation): £1940 inc VAT

Is the proposed project:

- (i) Identified within the local plan? Yes **Yes *** No _____
- (ii) Endorsed by the respective Town/ Parish Council? Yes **YES** No _____
- (iii) Was the necessary planning authorisation received? Yes **n/a** No _____
- (iv) Is the organisation proposing the project properly constituted? Yes **Yes** No _____

Detail of endorsement & planning authorisation

Yes (i) & No (ii) = The Neighbourhood Plan (NP) recognises and focuses on supporting, improving the existing facilities which are very much valued by the local community. Tables 8 & 9 set out the scope for further opportunities and Policies MSA4 & MSA12 the seeking of developer contributions to achieve these objectives.

The community facilities based at the sports club were valued and identified to be important by two thirds of villagers.

Yes (i)

Reference Neighbourhood plan Policy MSA4 and MSA12 as well as table 8, however it does not meet table 9 as the sports field would be used for formal sports.

The Neighbourhood Plan identifies a shortfall in the optimum level of open recreational space (table 8 and table 9).

The outcome of this project will have a substantial and positive impact on the future of the Sports Club Charity and its ability to meet the challenges of the current and ongoing financial crisis.

"Further Recreational Opportunities" will be possible between the wicket and the pavilion bank and elsewhere on site for casual community use and quote "other recreational activities for which there is evidence of local demand" (table 9 REC2)

Football 'progression' opportunities will be increased. There will be an area for casual community football; minis5 a side play; an under 16's pitch and a designated full size pitch.

Project Funding

#		Status
Source of Funding	£	
Total Project Cost	£17,691.00	Quotations obtained for the work required. Copy of recent annual reports provide details of regular maintenance outgoings.
S106 Funds Requested	£9299.69	
Additional Funding Required	£8391.31	
Source of Additional Funding	Fundraising	Note: This project is only part of the BIG IDEA. This project will bump start other grant funding opportunities aimed towards established grant funding organisations with additional support from fundraising and the Sports Club's own financial resources.
Sports Club providing the majority of the labour from current members who are professionals in the relevant areas. It is anticipated that that the total cost will be significantly reduced any excess will be returned to the Dorset CIL team under the Protocol	Grants	
	Own financial resources	

Timescales

Anticipated start date: As and when approval is given

Anticipated completion date: within 6 months of the start date with the objective of meeting the target of the start of the 2024 cricket season.

Delivering the Project

Who will manage the delivery of the project?

The project will be managed and delivered by the committee of the Cricket Club and the trustees of the Sports Ground, who have the necessary project management skills and have delivered a range of grant funded improvements on budget, on time and to a very high standard

Please confirm that you have/will have the relevant insurance in place to deliver this project.

Yes, the Sports Club has the relevant insurance in place.

Viability & Management of the Project

Is the project financially viable in the long term?

Cricket is at an all time high across the UK and is continuing to grow. With Dorset having been approved for the 2024 season (and going forward) as the 32nd ECB approved premier league, Cricket within Dorset is expanding and getting to new heights.

The project will be managed and delivered by volunteers with the relevant expertise and long-term commitment to developing cricket locally. This will achieve, good value for money and a greater return (outcome) on the 106 money invested in the project.

Please see <http://www.dorsetcricketboard.co.uk/news/dcl-to-be-the-32nd-ecb-premier-league-34834/>

By installing an artificial wicket, it will give the users the ability to provide low maintenance cricket to a significant of users without giving rise to significant day to day running costs. This will give financial viability to the club in the long term as the return on the investment will be substantial.

How will the facility/infrastructure be managed and maintained in the long term & by whom?

The Sports Club is managed very effectively by the trustees of the Sports Club along with a sub committee of the Cricket team. In the unlikely event of not being able to continue the terms of the lease is that the site reverts back to the control of the Parish Council. The facility is not lost to the community.

Who will Benefit?

How many citizens (age, gender etc.) will benefit from the proposed project?
What other outcomes do you want to achieve?

Every member of the local community and surrounding rural area will be a beneficiary.

Cricket is one of the few sports that can be undertaken from ages 5 to 80+ (several players locally exceed 80!), along with this it is a game where children, men and women (as well as disabled cricketers) can all play alongside each other at recreational level. It is one of the most inclusive sports available.

How will the project be monitored and evaluated?

The project will be managed by a combination of the trustees of the Sports Club and the Committee of the Cricket Club.

The project managers will be using guidance from the Dorset Cricket Board, the Dorset FA and Active Dorset as well third part contractors to evaluate the most cost effective result to achieve the best possible facilities for the community.

Consultation

Was the respective community consulted on the design and scope of the facility being proposed? If so, when and how, and what was the outcome?

What other organisations have been consulted, e.g. Town & Parish Councils, Community Partnerships.

The project has already used consultation via social media and in person initially to see the viability of maintaining a cricket club at the sports ground. The reaction has been very positive, with enough players signed up for an Evening League and Saturday League team, along with the surprising interest in ladies and children's cricket. There has been additional consultation within the village through the local shop and the village magazine.

Following on from this the Dorset Cricket Board and England Cricket Board have been approached for guidance with regards to forming a club, as well as undertaking this project.

Furthermore the Parish Council have been approached at a Full Council meeting to gain their support and modifications made where appropriate prior to submitting the application to the Dorset CIL Team and thereafter to provide the Parish Council with regular progress reports.

Sustainability

How does your project contribute to sustainability (see Appendix 1, Guidance Notes)

The Sports Club Charity "enjoys" a 50 year lease from the Parish Council to provide sporting, recreational and leisure opportunities for the benefit of the local community and surrounding rural area. This is a long term obligation placed solely on the trustees that is being honoured.

The sports club is used predominantly during the winter for football, as well as the pavilion being used by local groups through out the year.

By bringing cricket to the sports club, it will mean the club will be used all year round for sport with space still available for casual recreational use by members of the community.

This will bring in additional revenue for the sports club in the form of direct fundraising, match fees and subscriptions as well as different individuals which can assist with the future sustainability and management of the sports club.

The outcome of this project will have a substantial and positive impact on the future financial viability of the Sports Club Charity and its ability to meet the challenges of the current and ongoing financial crisis. It receives no regular funding support and relies entirely on hire charges and grants from grant funding organisations to survive.

Declaration

I confirm that

1. approval was granted for me to make this request on behalf of the institution/organisation presenting this application.
2. implementation of this project is within the scope of the constitution or the memorandum & articles of this institution/organisation.
3. information presented above is true and correct.

Co Signed Ben Elliot (Project leader) Richard Lock (Chair of trustees)
