NATIONAL VEGETARIAN WEEK

The lovely people at the Vegetarian society have given us a grant to celebrate Vegetarian Week (16-22 May) with a village meal, which will be on **Sunday 22nd May, from 1pm in the Village Hall.**

Soft drinks will be provided, but BYOB if you want booze.

It will include a tasting of a wide range of meat replacement products, as well as a lunch of chilli and rice, mushroom stroganoff, pad thai, main meal salads and burgers, served with a wide range of dips and vegetables.

Why not come along and try them all?

Vegan, gluten free and egg free diets catered for.

BOGUS DRIVEWAY CONTRACTORS

People are being approached by a man who claims to work for the NCC Highways Department, offering to carry out driveway maintenance. Highways' employees would NEVER do this, so don't trust 'em

If you want work done get 3 quotes, ask friends and neighbours for recommendations and NEVER part with money before completion.

PARISH COUNCIL PRECEPT

The Parish Council have asked me to explain how the precept is calculated as, despite the council not asking for any more money from the District Council, on the official report it appears that the amount paid by households has gone up by over 4%. This is because the PC have to ask for an amount of money. For 2016-17 they asked for the same as for the previous year.

This amount is split by the number of households that pay Council Tax in Carlton. If the number of occupied households, number of people who pay reduced Council Tax etc changes, then the amount is divided differently and each household has to pay more or less accordingly. This is represented on the District Council's report as a percentage of the overall Council Tax so unfortunately sometimes you, as an individual or a household, end up paying more even though the PC only gets the same amount of money.

CARLTON ON TRENT
VILLAGE
FETE

Helpers needed!

The Fete relies entirely on volunteers, not just on the day but for getting everything prepared beforehand, distributing leaflets, donating prizes and clearing up afterwards.

Which is not to say we wouldn't welcome more volunteers to run stalls on 25 June, because we most certainly would!

Whether you've lived here 30 years or 3 months, why not get involved and enjoy being part of a really good fun day?

We put up all the tents and set everything out on the morning of Friday 24th. If you could help with that please contact Joe Kerr on 07977 265778. Packing up is on Sunday morning.

If you could run a stall on the day (3 hour shift), or if you could distribute leaflets door to door in one of the surrounding villages at the start of June please contact Fiona Jerome on 07887 886 945.

And if you have any prizes suitable for the tombola or spare bottles for the Water to Wine stall, please drop them off at The Grey House.

CARLTON FILM CLUB
SUMMER SEASON

Both films start at 2pm with FREE refreshments provided. These will be the last films until further notice.

The Lady in the Van

HISTORY WALK around Carlton.

Starting at the Village hall at 11 for coffee and biscuits, we'll walk down to the Forge and learn about the history of the buildings at the south of the village, then return to the hall for a free lunch, followed by a walk up to Carlton Hall where we'll tour the gardens and learn its history. Estimated finish 2pm. No need to book.

Sunday 15 May, 11-2pm

SPEEDWATCH

Speedwatch is looking for volunteers willing to stand at the roadside and record vehicles going too fast. Equipment and training will be provided. They are also keen on suggestions of where speed guns should be employed in the area. If you are interested get in touch and I will forward your details.

Renovations @ the Village Hall

We are currently renovating the upper floor of the Village Hall, moving doors and putting in new stairs to make it easier to access the upper rooms so that people can access the village archive more easily. Thank you for your patience while work is going on.

Parish Council Meetings

Congratulations to Nigel Fletcher on being elected Chairman of Carlton Parish Council and Liz Hopkins on becoming a councillor. Council meetings will now be held every month, on the first Tuesday of the month, in the Village Hall. Everyone is welcome to attend and there is a period for members of the public to bring up their concerns at the start.

There is a new website, nottshelpyourself.org.uk, which is a one stop shop for services available in the county. If you run a service or activity, use it to promote your activities for free.

A big thank you...

... to everyone who's supported village events recently. The coffee morning on 7 May made £70, the Gourmet Mexican raised £220, split between the Hall and Safe Rescue animal welfare, and the Eurovision quiz raised £170 for St Mary's Church.
