

## PROPOSED TEMPORARY CLOSURE OF ACCESS ROAD TO POUND FARM, NETHER CERNE

I have received an application from Openreach to close Access Road to Pound Farm, Nether Cerne from the junction with the road leading to Abbots Leat, Nether Cerne to a point approximately 100 metres to the east (in both directions). The closure has been requested to provide Openreach with a safe working area to carry out pole tests. These works are programmed to commence from 09:30, 10th December 2021 until 15:30, 10th December 2021.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works and they will carry out a letter drop to local residents directly affected by the works. There will be no alternative route on this occasion, however access will be maintained. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Tom Faulkner, (trafficteam@dorsetcouncil.gov.uk) by 24th November 2021.
