2a	22/06/2023	BLAP Parish Liaison Meeting	Notification	In	BLAP	"We can confirm that the next BLAP Parish Liaison meeting will be on Monday 17th July 2023 at 4pm. "	
3	19/06/2023	BLAP Steering Group	Minutes	In	BLAP	Minutes for Steering Group meeting on 8/06/2023	Sent to all
4	05/06/2023	Bus Back Better virtual meeting	Report		Cllr Anna Dunn	"The agenda should have been set by the transport users but instead Dorset Council set the agenda and minutes. During the meeting it was just a presentation of what they had been doing for the BSIP and what they could not do until they had further funding. So really the meeting was a waste of time. I have suggested that the Tags (Transport Action Groups) and WATAG get together and devise a list of questions from the bus users and put them to the council This suggestion is being taken up. I think in the BSIP document there is a stipulation that the council has to tick a box to say it has consulted the bus users and this meeting was their interpretation of that tick. A very disappointing outcome "	
5	31/05/2023	Casual Vacancy	Notification	In	Dorset Council Electoral Services.	"Further to our previous correspondence regarding the Notice of Vacancy for Chideock Parish Council, I can now confirm that we have not received, within the statutory period, the necessary number of requests for an election to fill the vacancy. You must therefore proceed to co-option as soon as practicable."	Sent to all
5a	23/06/2023	Casual Vacancy	Expression of interest	In	Chideock resident	"This is an expression of interest in the above casual vacancy on Chideock Parish Council I have lived in Chideock for the past five years - before then having lived in Bridport since 2002 I have always had an active interest in the communities in which I have lived - including running "Dinky discos" /Chairing GIA meetings between residents and councillors/representation on Neighbourhood Plan for Bridport"	
6	31/05/2023	Coombe House query	Response	In	Dorset Council to Cllr Anna Dunn	Thank you for your query regarding Coombe House which you sent to Cllr Simon Christopher and which was forwarded to Children's Services by Cllr Spencer Flower. I answer your questions as follows on behalf of the service: 1. How many special needs children does Coombe house provide for ? 1. Under Ofsted registration Coombe House School is registered with Ofsted for up to 200 children. Current numbers on roll are expected to be 56 at the end of term (summer 2023) with a phased plan for growth to reach this over the next 3 years as the staff team grows and more classrooms are made more available. 2. How many children with complex needs does Coombe House provide for ? 2. All places at Coombe House School are for Children and Young People with Social Emotional or Mental Health Needs of Autistic Spectrum Conditions with social communication & interaction needs	Sent to all

7						<p>3. How many extra children no longer being sent out of county for their care ? (and your comment: This is of great interest as anyone can imagine how distressing it is for the family's involved to not be able to see their children often enough)</p> <p>3. It is important to note that Coombe House provides day pupil specialist education, not residential provision. However by providing more local special school provision, this helps to prevent us having to send children out of county for their school placement.</p> <p>4. I would also like to know how much money the council have saved so far by not sending the children out of County?</p> <p>4. By meeting the needs of children and young people locally they are able to stay part of their local community. It also reduces travel times and results in better outcomes for children and young people. We would expect a total net saving for the current 56 places of £840k - £900k.</p> <p>5. If Coombe house is not yet fully utilised with Special and complex need children I would like to know why?</p> <p>5. Like any new school, it is appropriate that a phased approach to growth is taken, so it would never be the case that a new special school would open at full capacity. A phased approach enables the school to build the classroom capacity, identify and support the appropriate transition of pupils and grow the teaching and pastoral staff required.</p> <p>6. It was always planned that the school would grow incrementally over the first few years of operation and although it has been slower than anticipated in the first year of operation, the school is now on track to continue growth over the next 3 years and will reach 200 pupils by 2026.</p> <p>7. The school will continue to welcome children with special educational needs."</p>	
8	02/06/2023	Deliveries to Spar shop at Seatown/ large campervans	Request	Out	West Dorset Leisure Holidays	<p>"Following our last correspondence in February 2022, the Parish Council needs to raise this matter again. Over the last four weeks, a number of residents have raised their concerns about large HGVs and oversize camper vans using Mill Lane to access Golden Cap Holiday Park. The drivers of the HGVs have shared with residents that they do not wish to use Seahill Lane due to a previous occasion when one of the drivers became stuck.</p> <p>Clearly, as a Parish Council we recognise that both Seahill Lane and especially Mill Lane were not intended for HGVs, hence the signage at the turning from the A35 into Duck street which clearly states that the road is not suitable for HGVs. Equally, oversized campervans arriving at Golden Cap Holiday Park need to have some clear guidance from West Dorset Leisure Holidays regarding the most suitable route to enter the site.</p> <p>It would be very helpful if you could consider identifying either an alternative route for the HGVs and large campervans (possibly through Doghouse Lane), or notifying the HGV providers that they need to deliver in smaller vans (as they do at the Anchor).</p> <p>We realise that the site is now becoming very busy, and it would be helpful to have this matter addressed before we move into the six-week holiday period. We look forward to hearing from you"</p>	
9	03/06/2023	Deliveries to Spar shop at Seatown/ large campervans	Response	In	West Dorset Leisure Holidays	"Thank you for your email and comments. I will look into them."	Sent to all
10	07/06/2023	Deliveries to Spar shop at Seatown/ large campervans	Response	In	West Dorset Leisure Holidays	"Please can we ask that the person making the complaint records the date, time and registration number of the vehicle and the nature of the problem caused. We can then speak to the company and driver involved. "	Sent to all
11	13/06/2023	Dorset Council owned bus shelter at Broadmead, Chideock	Request	Out	Dorset Council	"The bus shelter on the eastbound side of the A35 opposite Broadmead Chideock is owned and maintained by Dorset Council. It is currently in a deplorable state and in need of much TLC, totally overgrown with weeds and it has not been cleaned for years. See attached photo."	Sent to all

12	13/06/2023	Dorset Council owned bus shelter at Broadmead, Chideock	Response	In	Dorset Council	"I have reported that to the team for you. Your reference number is 1221546, you can track this by either going online at https://dorset-self.achieveservice.com/service/Confirm-Existing-Enquiry?txt_Enquiry_Number=1221546 or by calling us on 01305221000"	Sent to all
13	14/06/2023	Dorset Council owned bus shelter at Broadmead, Chideock	Response	In	Dorset Council	"I can confirm this is one of our shelters and I am very sorry to hear of the state it is in. It is on our cleaning rota and should have been done on 19th May so I will chase that up with the cleaners and arrange for the team to go out who deal with foliage work. Thank you so much for highlighting this issue. On the first enquiry that came in it looked like the shelter in question was the one at the bridge (next to the shop) which according to our records is a PC one so I was a bit confused!"	Sent to all
13a	26/06/2023	Dorset Council owned bus shelter at Broadmead, Chideock	Auto-response	In	Dorset Council	"Your enquiry has now been investigated and actioned if appropriate. Thank you for bringing this to our attention."	
14	31/05/2023	Meeting with Chris Loder	Notes	Out	Chris Loder MP	Notes taken by Councillor Vanessa McAra at the meeting of CPC with Chris Loder.	Sent to all
15	30/05/2023	Police action on exhaust noise from motorcycles	Response	In	Dorset Police and Crime Commissioner	"Further to my earlier email, I am able to confirm that the Commissioner Mr Sidwick has spoke to Dorset Road Safe and they are already planning for the deterrent days to take place. There has been some recruitment issues which have slowed their ability to delivery those but these are being resolved. The Commissioner lobbied Grant Schapps as Secretary of State for Transport but this did not result in any successful reply. There has been a change in Transport Secretary and he has again lobbied the new Transport Secretary and currently waiting to hear back. This is in regard to an official scheme piloting noise emission cameras. In addition the Commissioner	Sent to all
16	09/06/2023	Seatown Dorset Beach - Dogs	Request	In	Seatown Visitor	A visitor to Seatown expressed concerns regarding the lack of enforcement of rules forbidding dogs, and dogs not being on leashes.	
17	09/06/2023	Seatown Dorset Beach - Dogs	Response	Out	Seatown Visitor	"This is an ongoing problem well known to the Parish Council. It would be ideal to have dog signs at the entrance to the Seatown car park but, Palmers Brewery, which owns the car park, has so far not given permission for this. The signs are provided by Dorset Council, so the Parish Council has no control over the size. The Parish Council will once again ask Palmers for permission to place signs on their land."	
18	21/06/2023	BLAP Steering Group	Information	In	BLAP	"Further to my email earlier this week, we are looking for a group/organisation to take up the BLAP members slot at the Steering Group meeting on the 7th September."	
	26/06/2023	Chideock and Seatown Stores	Information	In	West Dorset Leisure Holidays	"As we approach the summer period Chideock and Seatown Spar stores will be operating slightly different opening hours from Monday 3rd July up until and including Sunday 3rd September, these are as below: Seatown – Open daily from 08.30 – 19.00 7 days a week. Chideock Spar – Open 7am – 6pm Monday to Saturday and Sunday 8am to midday. Chideock Post Office – Open 8am – 6pm Monday to Friday, 8am-3pm Saturday and closed on Sunday. We are also recruiting for permanent and summer holiday part time team for both stores – please email jobs@wdlh.co.uk for more information – Thank you"	
AGENDA ITEM 8 - A35 MATTERS							
19	01/06/2023	A30/35 Route Walks	Email	In	National Highways	Date and time of Chideock A35 route walk confirmed to be 10 am on the 14th of June. NH request who from CPC will be in attendance.	Notes of meeting in preparation.

Actions and Information 2023.06 A and I List to 21 June

19a	22/06/2023	A30/35 Route Walks	Update	In	National Highways	"As discussed, we will ensure that the problems we discussed are passed on to the appropriate teams and we're currently in the process of writing up the key themes/issues and opportunities from the week. We'll be back in touch in due course if we need any clarification on the points raised and also to look to book in a meeting to provide an update on the safety study at the next appropriate opportunity, likely later this financial year."
20	06/06/2023	A30/A35 Road closures	Email	In	Balfour Beatty	"Please find attached a letter listing our upcoming road closures and copies of the diversion routes, we appreciate that some of the diversion routes may not affect you."
21	06/06/2023	A30/A35 Road Closures w/c 12/06/2023	Email	In	Balfour Beatty	"Please find attached a letter listing our upcoming road closures and copy of the diversion route for the first closure, Axminster to Bridport. However should you have any queries please feel free to contact the Road Closure information line, the number is given on the attached letter"
22	07/06/2023	A30/A35 Road Closures	Email	Out	Balfour Beatty	"On behalf of Chideock residents and visitors, I ask the following questions: - 1. What work is being done on the Bridport to Axminster stretch, when and where. 2. Will there be access for Chideock residents / holidaymakers, as there is no alternative route to the village? 3. Will advance warning be given on the M3 and M27 to divert traffic onto the A303, or A37 then onto the A30? 4. Will advance warning be given on the M5 to divert traffic vis the A358 etc, rather than exiting at Exeter?? The Parish Council has been informed by the owner of Chideock Manor that remedial works on the land slippage on the northern side of the A35 on Chideock Hill will commence on the 3 July – will this involve lane closures on Chideock Hill or any form of active traffic management?"
23	12/06/2023	A30/A35 Road Closures	Response	In	Balfour Beatty	"Attached is a detailed breakdown of where we will be working each night along with access (restricted on some nights due to surfacing works). Also, within the breakdown, I have included the information with regards Chideock Hill Embankment works."
24	16/06/2023	A30/A35 Road Closures	Email	Out	Balfour Beatty	"It's not working. People are being turned away when coming from whichever direction you say should be ok. There is no alternative way in to Chideock- A35 or nothing. "
25	16/06/2023	A30/A35 Road Closures	Email	In	Balfour Beatty	"I am totally aware of the situation with regards members of the public being turned away over the first few nights of the closure when access could be given. I have spoken with our traffic management contractor, informing them that after all the hard work we had put into making sure some sort of access was available to residents up until when we start working within the village and then access would be restricted, to then hear about the issues encountered at the first hurdle. I was bitterly disappointed that the plan had not been followed and I can confirm that this has been fed back to the contractor and the gateman. Unfortunately, we can not cater for all when it comes to where we are working and for the safety of members of the public and our workforce access through the site when plant and surfacing is in operation is not permitted. As mentioned in the information that I sent you there is an alternative route, albeit not a direct route for residents of Chideock but it will get them into Chideock from the Axminster end. I am sorry that this is not the answer that you require but we are trying the best that we can to accommodate all."
26	31/05/2023	Land slippage north of A35 on Chideock Hill	Response	In	Deidre Coates	Balfour Beatty plans to resume work on 3 July.
27	20/06/2023	Proposed temporary closure of Pettycrate Lane	Information	In	Dorset Council	"I have attached details of a proposed temporary road closure for your information. Please circulate this information to interested parties within your area of responsibility. If you receive any adverse comments please let me know by 30 July 2023."

Actions and Information 2023.06 A and I List to 21 June

27a	20/06/2023	Proposed temporary closure of Pettycrate Lane	Information	Out	Village Hall	"You might like to pass this information on. Please note that •This is only a proposal at this stage •Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network."
27b	21/06/2023	Proposed temporary closure of Pettycrate Lane	Response	In	Village Hall	"Many thanks"
28	21/06/2023	Noise cameras at West Bay	Request for information	Out	Bridport Town Council	"One of my councillors has seen a letter in the Dorset Echo saying that noise cameras are being put in at West Bay because of the noise from motor bikes. Do you know anything about this? Such as who is instrumental in getting this."
29	21/06/2023	Noise cameras at West Bay	Response	In	Bridport Town Council	"I haven't been notified of this but following some complaints last year, I approached Chris Loder about a trial of 'noise cameras' that the Department for Transport had announced. He in turn applied for West Dorset to be included in the trial, and Dorset Police confirmed they were looking to be involved. If the letter is correct it sounds as though the area has been included and perhaps West Bay as a particular focus - but I'm surmising here. My communication with the Police was via Sgt Mike Brown, but he's not directly involved in traffic and I think the people to contact are Dorset Road Safe - dorsetroadsafe@Dorset.PNN.Police.uk."
AGENDA ITEM 9 - RIVER WINNIFORD AND WATER POLLUTION ISSUES						
Dorset Council Updates.						
Wessex Water Updates.						
30	06/06/2023	Upgrade to the Chideock Water Recycling Centre	Email	Out	Wessex Water	"During the meeting you shared that Wessex Water has identified that Chideock's current wastewater treatment facility will be updated and that this is part of the Wessex Water next five-year plan. At the time, Chideock councillors said it would be helpful to the village community if further details of this plan could be shared, together with the proposed timescales for the delivery of an updated water treatment process and the reduction of the discharges into the River Winniford. Of course, it is accepted that your response may not necessarily be detailed but, given the level of concern that there is currently within the village, any information would be helpful. We look forward to hearing from you."
31	06/06/2023	Upgrade to the Chideock Water Recycling Centre	Response	In	Wessex Water	"We have to provide the Govt with outline solutions for all 650 storm overflows that need upgrade in the next 5 years and up to 2050. That list will be sent by the end of the month and as soon as it's completed, I'll let you know what it says for Chideock WRC."

32	06/06/2023	Consultation on Planning for Climate Change	Email	In	Dorset Deserves Better	"Enclosed is Dorset Deserves Better's response to Dorset Council's Consultation on Planning for Climate Change. Our consultation has taken into account our views (DDB leadership) and the views of Dorset Climate Action Network (DCAN). In addition, we have also borrowed some information in the excellent responses from Planet Wimborne and CPRE. My apologies that we have not been able to share this response with you earlier. Unfortunately the consultation has taken some time to review and the response now needs to be submitted by 8th June. However, if you have any comments, we would be delighted to hear them."	
33	01/06/2023	EN/2022/00542 Stoke Cottage Chideock	Email	In	Enforcement Officer, Dorset Council	"As you are probably aware the planning permission for the development at the above property has now been approved on 13th March 2023. The above Enforcement will now be closed. Thank you for reporting this matter to Dorset Council."	
34	15/06/2023	P/FUL/2021/04618	Appeal	In	Planning, Dorset Council	"Please see the attached correspondence relating to a planning appeal in respect of Erect dwelling with associated parking at Cains Farm"

38a	23/06/2023	Chideock flow measuring site rent increase	Auto-response	In	Environment Agency	"Please note this is an auto reply message. Thank you – the Environment Agency has received your email."	
	23/06/2023	Pedestrian/vehicle issues in Duck Street/ Upper Sea Hill Lane	Information	In	Dorset Council	"The cost of traffic surveys is £275+VAT for the first site and then £200+VAT for each additional site in the same area, monitored at the same time. Assuming we are repeating the 2 sites from 2016, the total cost would be £475+VAT. We would look to do the surveys in August, so they can be directly compared to the previous surveys, but I am happy to do in another time if you want."	
	25/06/2023	Payment remittance from City Council	Remittance	In	City Council	"Please find attached a payment remittance from City Council Tax Payment."	
Foss Orchard Car Park.							
39	08/06/2023	Foss Orchard Car Park hedge	Telephone call	In	Chideock Resident via Cllr George Dunn	A Chideock Resident expressed concerns about the height of the hedge in Foss Orchard Car Park being reduced as they are concerned that it will negatively affect mitigation of noise pollution.	
40	18/06/2023	Foss Orchard Car Park hedge	Letter	In	From the same Chideock resident	Explaining why the height of hedge should not be reduced and offering to use his own equipment to trim the hedge including the top.	Sent to all

RIGHTS OF WAY						
43	04/06/2023	Trailway to Eype / Bridport	Email	In	Mr Maskell	"The 2 x attachments concern the very latest update regarding a hoped for new trail connecting Bridport to Lyme Regis and the communities in between. In my/our quest to create an east/west - west/east transit route for boots/hooves/wheels/mobility scooters etc. for residents and tourists alike I hope you can see the benefit such a route would provide."
DORSET HIGHWAYS						
44	06/06/2023	Chideock - Mill Lane BW18 Satellite Navigation Data	Letter	Out	Dorset Council	"I attach a letter about issues created by satellite navigation systems showing a Bridleway in Chideock as a vehicular road. Please will you forward it to the appropriate officer for action."
45	06/06/2023	Chideock - Mill Lane BW18 Satellite Navigation Data	Response	In	Dorset Council	"Of course - highways is not in my role but I will find out who your community highways officer is and make them aware!"
46	07/06/2023	Chideock - Mill Lane BW18 Satellite Navigation Data	Response	In	Dorset Council	"I was wondering if you were able to enlighten me on the legislation that you have mentioned, this would be a very useful tool to allow us to make the required changes. However, I have been unable to find any such legislation. "
47	19/06/2023	Chideock - Mill Lane BW18 Satellite Navigation Data	Response	Out	Dorset Council	"Unfortunately, the information I was given was a "red herring" – it only applies to Primary routes."
