

NETHER WALLOP PARISH COUNCIL

STANDING ORDERS

May 2019

PREFACE

The purpose of Standing Orders is to provide an established set of rules of procedure to be followed by the Parish Council in order that it may conduct its business in an efficient manner and in compliance with the governing law, where appropriate. The standing orders that are in **bold type** contain statutory requirements.

The National Association of Local Councils has provided guidance on Standing Orders in its publications. This document has been created using the Model Standing orders produced by NALC in 2018.

The affairs of the Nether Wallop Parish Council are generally non-complex and in recognition of this fact, the Council has passed a resolution at its meeting in MAY 2019 to adopt the appended Standing Orders.

In essence, the mandatory aspects of the Council's affairs have been specifically included. In all other matters, the Council will be guided by the principles contained within the model set of Standing Orders published by the National Association of Local Councils.

Standing orders do not include financial regulations. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of the Parish Council. The financial regulations, as opposed to these standing orders, include most of the requirements relevant to the Responsible Financial Officer.
