Explanatory Notes

For some organisations their sole place of business is in the council's area, but this could also include organisations that have branches, offices or factories in the council's area – for example high street chains and banks.

If the issued share capital is £200,000 and you own £3,000 of shares you own more than 100th. You might have shares other than ordinary shares – if so you need to check if you own more than 100th of that class of share.
