

MINUTES OF THE PARISH COUNCIL MEETING

Wednesday 16th March 2022, 7pm, Mapledurwell & Up Nately Village Hall

Present: Parish Councillors Hugo Cubitt (Chairman), Tom Horsey, Kevin Rafferty
Colin Robertson, Alison Stent; Clerk Susan Turner.

1 WELCOME AND APOLOGIES Apologies Footpaths Warden Martin Carfrae.

2 PUBLIC SESSION No members of the public present.

3 MINUTES OF PREVIOUS MEETING 21st January agreed and signed.

4 DECLARATIONS OF INTEREST in items on the Agenda – none.

5 PLANNING – See Parish planning update **APPENDIX I**

.1 New applications for consideration

T/00125/22/TRQ2 – BDBC has acknowledge receipt of the TPO (Tree Preservation Order) request from the Mapledurwell Parish Tree Warden for trees on Tunworth Road (South).

TO RECORD Appreciation to Tree Warden John Maclean for his prompt action in preparing a TPO request for the treeline on Tunworth Road (south).

22/00676/FUL (Validated 03 Mar 2022) High Field View, Frog Lane. Erection of a new bungalow to replace the concrete garage currently located at the north end of the land.

NOTED No significant objections received from immediate neighbours.

AGREED *'The Parish Council has no objection in principle to the replacement of the concrete garage with a small two bedroomed dwelling at this location – with conditions. The impact of the development on landscape and locality can be considered acceptable if the hard fencing be replaced with substantial native hedging, plus a landscaping scheme as a matter of condition. Appropriate soft landscaping could achieve an overall improvement.'*

22/00635/ADV (Validated 25 Feb 2022) The Hatch. Display of 1 no. externally illuminated totem sign, 1 no. illuminated painted individual letter building sign, 2 no. non-illuminated double sided post signs, 1 no. non-illuminated single sided post sign, and 1 no. illuminated single sided post sign. *Parish Council – no objection*

22/00630/FUL and 22/00678/LBC (Validated 25 Feb 2022) The Hatch. Minor internal and external alterations, redecoration and repairs to building; new signage; erection of 2 no. pergola, including fixed seating and external fire; erection of external bar servery; partial resurfacing of car park and installation of new gates; replace existing bridge; repaving, new bollard lights and arbors; demolition of existing garden sheds / structures and erection of new shed; new island patios with festoon lighting to garden; new fencing and associated works.

AGREED *The Parish Council is supportive of the pub and in principle supportive of measures to support the pub business. It has concerns about the additional lighting, considering light pollution to the area in general, particularly any adverse impact on neighbours. Noted it is already a large pub with a lot of outside space and busy in summer. Also considering the nature of the area which is already affected by the busy road, and built up – increasing by the Riverview apartments development. It is important that any changes should be to improve the character and appearance of the area and in particular the setting of the Grade II listed pub. Also preference to retain the wooden bridge.*

22/00212/TDC (Validated 17 Feb 2022) Nunnery House, Tunworth Road. Application for Technical Details Consent for conversion of an agricultural building to 1 no. dwelling and new vehicular access from Tunworth Road in accordance with Permission in Principle 20/00009/PIP [Allowed at Appeal].

The Parish Council initially responded with a request for clarity regarding the access proposals. On discussion with the case officer, she confirmed that the DTC application includes a new access to the South.

For signature (p1 of 4)

AGREED | the Parish Council is strongly opposed on the grounds of adverse impact on the street scene – presently a narrow tree-lined rural road – and so on the nature of the Conservation Area. The harm would be unacceptable – the destruction of an old and established tree and hedge-lined banking by opening through a driveway onto a domestic property, now oriented to face the road, with accompanying light and vehicle pollution adversely impacting the locality and neighbouring properties, not least as the new dwelling is in an elevated position several metres above. The application’s own heritage statement argues against these various impacts on the Conservation Area. The PIP application indicated the house to be aligned away from the road and from neighbours with all screening retained. The Parish Council also takes issue with the excessive parking provision suggesting preparation for further housing development by means of this access. The application fails to include any detail on sightlines and road safety.

.2 Local Plan Update – Housing Numbers

Meeting proposed by Whitchurch Town Council – to be hosted by Whitchurch Neighbourhood Plan Group `...On behalf of Cllr Tracy Woodruff who is the chairman and Mayor of Whitchurch Town Council and is also chairman of the Neighbourhood Plan Review Group... “I believe we have to reduce the overall number for the borough if we want to be successful in reducing the numbers in our parishes. Working together and being one voice will increase our chances of success.” Please can you let me know whether you would be interested in joining us to discover more either on line or in person.’ **APPENDIX II**

Invitation accepted, awaiting meeting date.

6 FROG LANE

.1 Allotment Update The Allotment Apiary agreement has been signed as agreed. Confirmed all allotments taken for the year. Re the new bird boxes, reportedly `a blue tit, has commandeered Box No 1 (on the tree by the allotment footpath)‘.

.2 Watercress Beds Lease supplied by Bates solicitor (acting for the Parish Council) for signing, required to be signed in presence of an solicitor.

AGREED | Colin Robertson to sign on behalf of the Parish Council.

.3 Verges Agreed area by allotment gate (north) now achieved best result possible – by modifying the works done to shore up the road edge and removing the posts. Thank to Colin Robertson for his hard work. Noted that vehicles have driven over the verge next to the allotment gate but the culvert has remained protected.

7 VILLAGE MAINTENANCE

.1 Mapledurwell pond

Alison Stent reported works completed by Harvey Simpson to replace the pond barrier fence (with metal somersault bar retained), and also the sleeper bridge across the ditch to Down Lane.

Willows have been pollarded by SSE.

.2 Up Nately Green

AGREED | Quote accepted from Steve Mills to go ahead with the land clearing work.

TO RECORD | Thanks to resident for pond clearing.

.3 Five Lanes End

NOTED | Estimates received to replace the barrier fence protecting the Beech trees.

.4 Parish Lengthsman HCC funding confirmed for 2022/23.

8 VILLAGE HALL GROUNDS

.1 Playground maintenance

Kevin Rafferty reported works in progress following the November RoSPA Inspection recommendations. All moss removed plus modifications to the gate. Awaiting the cross cutting on the balance beam, plus top-up bark to be added as soon as the weather dries.

NOTED | The routine RoSPA survey 2022 (Hants region) will take place in May, no date given.

- .2 Tennis** Chairman reported that the new net posts installed. Also a reminder notice to users to please sweep the courts – a new brush has been supplied. Note to be included in the *Villager*, plus inviting more villagers to make use of the courts.
- .3 Pavilion** Noted that maintenance needed this year. Re outside light, clerk still to arrange visit with electrician.
- .4 Football pitch** A further request received from Old Basing Rovers to use the pitch.
- AGREED Clerk to respond for the Parish Council that the pitch is leased to Chineham Tigers on a 10-year contract which includes an agreement for grant-funded ground improvement. (Noted that Old Basing Rovers do have use of all the Old Basing pitches.)
- Spare goal posts by the hall – are still there. Clerk to again request CT to move them to the other end of the pitch by the car park as will soon be in the way of grass cutting.
- 9 JUBILEE**
- .1 Jubilee tree** Plane tree planted 8th February with thanks to Tree Warden John Maclean, and Rod Warner. Registered with the 'Queen's Green Canopy' as Jubilee Tree – London Plane *Platanus x hispanica*: For 'QGC registration photo' see **APPENDIX III** <https://queensgreencanopy.org/map-education-hub/qgc-map/#/>
- Wrought iron surround and plaque to be ordered for dedication as Jubilee Tree in June.
- .2 Beacon**
- AGREED To purchase a gas-powered Jubilee Beacon for Village Hall event, from 21CC Group @£490 plus VAT. Website advises orders to be submitted by 30th April for delivery end of May.
- 10 FINANCE**
- .1 Payments since last meeting**
- | | | |
|----|---|---------|
| 48 | Clerk Salary Jan 2022 | £342.00 |
| 49 | Harvey Simpson-Maple-pond-post&rail | £525.00 |
| 50 | Harvey Simpson-Maple-pond-sleeper-bridge | £233.00 |
| 51 | PGGM-Frog Lane -north gate-scalpings & posts | £324.00 |
| 52 | Martin Gosling maintenance contract Jan 2022 | £348.00 |
| 53 | ICO – data protection register | £35.00 |
| 54 | Clerk Salary Feb 2022 | £342.00 |
| 55 | CPRE membership | £36.00 |
| 56 | Bidwells for Corpus Christi - Allotment land rent | £2.00 |
| 57 | Martin Gosling maintenance contract Feb 2022 | £348.00 |
| 58 | Greening Campaign - Phase I | £50.00 |
- .2 Accounts to date APPENDIX IV.**
- 11 FURTHER UPDATES / REPORTS**
- .1 Village Hall – Energy Efficiency HCC P&TC Investment Fund**
- The VH Committee has secured funding for an Energy Efficiency Audit and Recommended Renewables Report (Parish & Town Council Investment Fund).
- Village Hall Committee identified NFU Energy as a 'good and well respected company (part of the NFU group) to deliver an Energy Efficiency Audit for the village hall'. From NFU Energy – *'The plan would be for an engineer to perform an on-site visit, report and advise on the feasibility of renewables generation, likely solar PV and GSHP. We will investigate what size system(s) would be best suited to your electricity use & profile, and provide some basic feedback on costs, ROI and considerations.'*
- .2 HCC – Greywell Road pavement – HCC-owned boundary hedge**
- NOTED HCC have cut back the trees and hedge, not the 'undergrowth' – grass and brambles. It will likely be cut with the HCC verge cutting programme but no information as to when.
- AGREED Schedule the Parish Lengthsman to cut twice a year.
- .3 Police Update**
- i Police Community Meeting 'Barn Meet' of 3rd February held in Rotherwick Village Hall, c14 police attended, c50 guests. Speakers included Horse Watch, Equine Liaison, Crown

Prosecution Service, Chief Inspector. Main message is that all local policing is intelligence led, reporting of any suspicious incident – including details, number plates, photos – from the public is vital in building an evidence base for targeted policing and for prosecution.

ii Police reporting – QR code Hants Constabulary has recently circulated a new QR code via which to report crimes, information and anti-social behaviour **APPENDIX V.**

.4 Ukraine Question from resident as to whether the Parish Council can organise an action to help house refugees. Discussed and agreed the best advice is to look to local voluntary action groups (Basingstoke Voluntary Action), and national initiatives.

.5 Greenlaning Letter received from GLASS (Greenlaning Association) **APPENDIX VI**

12 NEXT MEETINGS AND PARISH ASSEMBLY

.1 Scheduled meeting dates for 2022 – third Wed of month, 7pm
18th May (AGM and Parish Assembly), 20th July, 21st Sept, 16th Nov.

.2 The AGM will be a short meeting from 7pm in the Committee Room with election of Parish Council Chairman for the coming year as principle agenda item. The Parish Assembly will follow in the main Hall. Set-up for the Assembly will be from 6pm.

.3 Parish Assembly topics

Main speaker – Invitation sent to Beth Sparks, Community Liaison Officer, Wessex CPS. (Beth spoke at the Police Barn Meet, ref 11.3.i above, advising that CPS happy to engage with local community meetings.)

Guest speakers – two to three minutes each

1. PCSO Andy Jones
2. Ward Cllrs – main subject BDBC and Local Plan Update
3. Friends – to explain the Trust charity and what grants are available
4. Village Hall Committee – to explain the energy efficiency grant application, also to share details of the Jubilee event.

Greening Campaign (Dates for online information evenings **APPENDIX VII.**)

ACTION Clerk to purchase 'crisps and wine'.

Meeting closed at 8.30pm with thanks to all present

For signature (p4 of 4) Date

APPENDIX I

M&UN PARISH PLANNING UPDATE – 14 MARCH 2022

T/00125/22/TRQ2 –‘I acknowledge receipt of the TPO request, from the Mapledurwell Parish Tree Warden for trees on Tunworth Road (South), the reference number is above. The tree officers for the request iare Rhodri Jones and Frank Wright.’

New applications for consideration

22/00676/FUL (Validated 03 Mar 2022) High Field View, Frog Lane. Erection of a new bungalow the existing concrete garage currently located at the north end of the land.

22/00635/ADV (Validated 25 Feb 2022) The Hatch. Display of 1 no. externally illuminated totem sign, 1 no. illuminated painted individual letter building sign, 2 no. non-illuminated double sided post signs, 1 no. non-illuminated single sided post sign, and I no. illuminated single sided post sign Consultation to 24th March

22/00630/FUL and 22/00678/LBC (Validated 25 Feb 2022) The Hatch. Minor internal and external alterations, redecoration and repairs to building; new signage; erection of 2 no. pergola, including fixed seating and external fire; erection of external bar servery; partial resurfacing of car park and installation of new gates; replace existing bridge; repaving, new bollard lights and arbors; demolition of existing garden sheds / structures and erection of new shed; new island patios with festoon lighting to garden; new fencing and associated works. Consultation to 24th March

22/00212/TDC (Validated 17 Feb 2022) Nunnery House Tunworth Road. Application for Technical Details Consent for conversion of an agricultural building to 1 no. dwelling and new vehicular access from Tunworth Road in accordance with Permission in Principle 20/00009/PIP [Allowed at Appeal].

Applications pending / recently decided

T/00615/21/TCA (Approved 5th Jan, Validated: 01 Dec 2021) Manor Farm Barn, Tunworth Road. 1 Weeping willow: reduce by approx a third.

21/03571/FUL (Granted 4th March, Validated 24 Nov 2021) Lyde Court, London Road, Old Basing. Replacement of open-sided internal ground floor rear 35 space cycle store with a 2-bedroom flat. Transfer of the 35 displaced cycle spaces to external covered secure cycle racks. Associated minor alterations to elevations.

Case Officer report noted that: 'The proposed bike store is to be relocated and be accessible by a pathway from the front parking area on either side of the building containing the flats. The proposal would not result in a loss of bike storage and would actually be increased from 55 to 60 spaces. The proposal is therefore in accordance with Local Plan Policies EM10 and CN9 and is acceptable in this regard.

21/01739/LBC (Pending, Validated 14 Jul) Arlings Tunworth Road. Replacement of all existing windows and exterior doors with new like for like design windows and doors.

21/01777/RET (Pending, Validated 24 May) The Gamekeepers. Laying of hardstanding to provide access to the cesspit for the pump-out lorry and to enable the dray lorry to make deliveries clear of the highway; the hardstanding also to serve as additional parking to serve The Gamekeepers; provision of 7 No. low-level, bat-friendly downlighters within the landscaped margin.

21/01566/HSE (Granted 2nd Feb 2022 – amended description, Validated 07 May) 2 Canalside Cottages, Heather Lane. Erection of two storey rear/side extension, single storey front/side extension and conversion of existing garage to habitable space. Proposed loft conversion. Erection of outbuilding for garden store/office and [cantilevered decking over canal side]. .

21/00827/FUL (Pending, Validated 20 Apr) Land Opposite Hillside, Heather Lane. Change of use of land to form secure dog walking area and off road parking area for 2-3 cars. Erection of gate and 1.8m fence around perimeter of site. Replace existing shed.

21/00427/FUL (Pending, Validated 22 Feb) Nunnery House, Tunworth Road. Erection of 1 no. 4 bed dwelling, detached garage, vehicular and pedestrian access, servicing and landscaping on land to north of Nunnery House.

21/00107/PIP (Pending, Validated 25 Jan) The Farm, Tunworth Road. Application for Permission in Principle for the residential development for a maximum of 9 dwellings. New indicative drawings submitted showing six dwelling (three x pairs of semi-detached). Application is still for maximum of nine, principle remains the same. (Note Mark Ruffell made objection comment on 24 Feb.)

APPENDIX II: RE LOCAL HOUSING NUMBERS (CLLR TRACY WOODRUFF) WHITCHURCH TC

EMAIL FROM WHITCHURCH TOWN COUNCIL 10TH MARCH.

Begin forwarded message:

From: "Juanita Madgwick, Assistant Clerk, Whitchurch Town Council"

Subject: Local Housing Numbers

Date: 10 March 2022 at 13:27:33 GMT

I am sending this on behalf of Cllr Tracy Woodruff who is the chairman and Mayor of Whitchurch Town Council and is also chairman of the Neighbourhood Plan Review Group.

The NPRG has been up and running for almost a year in preparation for the upcoming Local Plan Update and we are increasingly concerned, as I know many of you are, about the numbers of houses/dwellings that are being proposed for the Borough and for each of our parishes. I don't believe any of us have the infrastructure to accommodate the numbers being suggested, which could well increase, or are our local physical and environmental constraints being taken into consideration, other than Tadley.

At the last few EPH Committee meetings these high numbers have been raised by concerned speakers and the way in which they have been calculated using the standard methodology. At the meeting on Thursday 3rd March an alternative way to calculate a number for the Borough, using the Chelmer Population and Housing Model was presented, using up to date 2021 census data, and not out of date 2009 figures.

The Committee are being encouraged to look at exceptional circumstances as an argument to lower the numbers, however this has never been successful. Therefore we must find an alternative model before it's too late.

One of our subject matter experts is a Fellow of the Royal Town Planning Institute, who would be happy to share his knowledge and the Whitchurch Strategy for a credible way forward in challenging the current standard methodology. We would also be interested in hearing your frustrations with the process and any ideas you may have in progressing this matter further.

I believe we have to reduce the overall number for the borough if we want to be successful in reducing the numbers in our parishes. Working together and being one voice will increase our chances of success.

Please can you let me know whether you would be interested in joining us to discover more either on line or in person.

I look forward to hearing from you.

Juanita Madgwick

Assistant Clerk to Whitchurch Town Council

Town Hall, Newbury Street, Whitchurch, Hampshire, RG28 7DW

APPENDIX III: OFFICIAL JUBILEE TREE

The screenshot shows a web browser window with the URL <https://queensgreencanopy.org>. The page header includes a tree icon and the text "THE QUEEN'S GREEN CANOPY". Below the header is a logo for "THE QUEEN'S GREEN CANOPY" with the subtitle "THE FLAT-NUM JUBILEE 2022". The main content is a photograph of a man in a grey jacket and blue jeans standing next to a young, bare tree in a grassy field. A black dog is sitting on the grass to the right of the tree. In the background, there are other trees and a white building under a cloudy sky.

APPENDIX V - POLICE REPORTING QR CODE

A New Way to Report

Hampshire Constabulary is pleased to be able to share a new QR code that helps members of the local community report crimes, information and anti-social behaviour.

Simply scan the QR code using your smartphone camera and select one of three options:

Report a crime
Something you've seen or heard or
Report anti-social behaviour

You can still report an incident by calling 101 (*or 999 if it is an emergency*).

Hampshire Constabulary would like to thank members of the local community for reporting incidents to us as it helps us build a picture of what is happening in your district.

APPENDIX VI: 'GREEN LANING'

EMAIL FROM GREEN LANE ASSOCIATION – (GLASS)

Begin forwarded message:

From: Green Lane Association <national@glass-uk.org>

Subject: Countryside access: setting the record straight

Date: 10 March 2022 at 17:52:33 GMT

'Many of us have heard stories about 4x4s 'off-roading' and a lot of councils, perhaps including yourselves, have recently been contacted by a campaign regarding vehicles driving on byways and unsurfaced roads. This can be a contentious subject and certain groups have been known to paint a negative and untrue picture around the topic. Of course bad news travels fast and groups leverage that tendency in a classic tabloid fashion.

'The reality is that driving and riding lanes is a positive, valuable, legal and life enhancing activity. It is loved and enjoyed across the nation by those thousands who you will most likely never see nor hear as they quietly and politely exercise their rights.

Here at the Green Lane Association (GLASS), the UK user group supporting the rights of all users to access byways and unsurfaced roads, we thought it would be useful to show you the balanced, factual reality behind the stories you may have heard.

It's a slightly complicated issue as the truth behind any headline often is, but we'll try and be brief!

'It's not off-roading – you can't 'off-road' on a road, which is what a byway is. Off-roading is driving other than a road either with or without permission. Like you, we HATE it when 4x4s or bikes go into fields or forests where they should not, often doing damage. They should be enforced against by the authorities. This is not 'Green Laning', as the driving of byways is often called, but trespass and criminal damage and it needs action. Shutting lanes won't stop these criminals.

'Green-Laners are normal, civil people who love the countryside. Many have horses and also walk or ride. A surprising number have disabilities and use their vehicles to enjoy the countryside in a way that would be impossible for them otherwise. We have over 5800 wonderful members and they tell us their stories. You can watch some of them here: [Glass Videos](#)

'Green-Laning supports a vast industry that benefits our regions. Food, accommodation and fuel is bought locally. Vehicles parts and servicing is undertaken by a myriad of garages. The well-being of thousands of drivers and passengers is hugely enhanced, especially in the area of mental health and stress relief which is in itself a cost saving to the nation. Green-Laners help maintain and tidy routes that would otherwise quickly become overgrown and impassable – and there are numerous example of this on the Glass website

'GLASS and its members advise and partner with councils and authorities across the UK and work to deal with hotspots, educating both drivers and the public and ensure that everyone gets the best from our precious and ancient network of rights of way. Members subscriptions are used to waymark and maintain lanes for everyone's benefit. Other organisations do the same for trail bike riding. These are not some fly-by-night network of the ill-advised but career professionals working at the highest levels to ensure countryside access for all.

'We have attached a open letter regarding some of the recent untruths that have been put about by negative pressure groups who only work to remove and not enhance access. We invite you to reject that negativism and help build a network fit for all legal classes of user, for everyone's mutual benefit.

'Thank you very much for your time and let's all enjoy our wonderful countryside together. Please share this email with your members.'

Warm regards, Green Lane Association

www.glass-uk.org www.trailwise2.co.uk/

The Green Lane Association is a national organisation founded in 1995 dedicated to protecting our heritage of multi-user rights of way and access to the countryside without prejudice to method of travel.

APPENDIX VII – GREENING CAMPAIGN

EMAIL OF 10TH MARCH 2022

Dear all,

These are terrible times and we are going to do our best to support you and your communities in reducing energy bills, saving nature, and improving resilience through Health.

If you are still running Phase 1 of the Greening Campaign but would like to start Phase 2, we will welcome you.

Because of unprecedented times you may start Phase 2 NOW.

We have funding for support for 20 communities so please make sure yours has access to it.

Phase 2 includes support for you which has been paid for by Central Government & Hampshire County Council covering

Community Energy Reduction with support from the Sustainability Centre. Retrofit which covers insulation, drafts, bulk buy schemes, information on grants available and much more.

Rewilding or creating space for nature with the Hampshire & Isle of Wight Wildlife Trust

Health in Light of Climate Change with support from a Health Professional who will help you keep your community safer as the risks increase.

To find out more, you are all invited to some Information Evenings where each subject will give a presentation, and you will have plenty of time to ask questions.

Please see the dates and links below:

Tuesday 15th March 7pm

[Click here to join the meeting](#)

Tuesday 22nd March 7pm

[Click here to join the meeting](#)

Thursday 31st March 7pm

[Click here to join the meeting](#)

Please share these dates with your community or people who are interested in Wildlife and Nature, Health, or Energy Saving and Renewables.

If you have any questions or would like to talk anything through please email me to arrange a chat, or text me on 07918941398.

We want to help and we have the funded support so please make sure your community is one that receives it - we have 20 available!
