Details

Filthy vile TT odour from early morning & still stinking at 3pm, and having to use a fresh air spray in my car to get rid of the pollutant.

Smell around Newington Rd

Smell around house

Smell around house

Thurs 9th Jan - vile TT odour early evening to late evening.

Fri 10th Jan - vile TT odour from early morning to late evening.

Smell outside house

Monday 13th January - vile sickening TT stench from early morning & still stinking 2.45pm.

First complaint of 2020 - Passing the Tunnel Tech site this morning, they were emitting their usual strong noxious odour. But coming back into the village just now (11:05 a.m.) the smell was a strong sulphide smell.

Wednesday 15th January - vile filthy TT stench from early morning & still stinking 2pm. Lovely day & once again this disgusting odour has stopped me from completing outdoor community maintenance jobs,

Outside house 1.14pm

Outside house 3.55pm

smel at 17:00 hours and again at 23.30 hours

I arrived home at 11.30pm tonight following a lovely evening out, only to be met on my entry to the village by the foul pollution emanating, yet again, from Tunnel Tech North

TT stench in to late evening Friday 17th Jan

Today at 13:10 outside his house.

Email complaint: - "22 Jan - the most disgusting filthy TT stench this morning, it is difficult to even breathe properly outdoors. Why doesn't someone from BDC come along & experience it for themselves?

You've got all day as it will stink all day.

See attached email regarding the bad smell and also pollution mist which allegedly caused bad visibility on the road driving past the Tunnel Tech factory

See attached email complaint about the smell still being around the area at 21:05.

See attached email complaint about noxious smells coming from the above. Allegedly started at 9am this morning.

Email complaint: - "23 Jan - the usual vile TT stench from early morning making it extremely difficult to breathe outdoors".

You've got all day as it will stink all day.

Email complaint: - filthy vile TT stench continuing from early today into late evening 10.30pm, driving past the site & permeating my home

Saturday 25 Jan - the usual vile TT stench this morning & still stinking at 12 noon

Saturday smell very bad in West Street at midday. at 1.30 pm more evidence in the Misson/Bawtry Rd, 5pm it was terrible beyond TT towards Misson coming down towards TT on the Bawtry Road - ghastly dreadful stench. Similar to Saturday afternoon

Today at 15:10 outside his house.

I also noticed a dreadful smell in my house last night at around 9.00pm and when I went outside to check it was indeed TTN polluting the atmosphere yet again.
