60/16 Planning Applications

Red House Farm, Salisbury Road (TVBC ref: 16/02000/FULLS & 16/02001/LBWS) – Demolition of existing single storey lean-to rear extension and construction of single and two storey extensions; internal alterations on ground floor to form new entrance hall and accommodate new staircase; alterations to first floor to form en-suite and dressing room - PC response : "Support".

"The existing cottage, whilst visually quite charming, does not provide living accommodation commensurate with 21st century standards. The proposed alterations will address this shortcoming, whilst having minimum impact on the original cottage. It is the view of the Parish Council that the proposed extensions will enhance rather than detract from the cottage and for this reason it fully supports this application."
