ISSUES ARISING REPORT FOR Great Milton Parish Council Audit for the year ended 31 March 2016

The following issue(s) have resulted in the annual return being qualified. They indicate a weakness in the council's procedures and require the council to take immediate action.

Accounting Statements not approved by 30 June

What is the issue?

The smaller authority failed to approve Section 2 of the Annual Return ("the accounting statements") by the deadline of the 30 June, as specified on the Annual Return and stated in Governance and Accountability for Local Councils - The Practitioners' Guide and implied in the Accounts and Audit Regulations 2015.

Why has this issue been raised?

This is a breach of proper practices as set out in the Practitioners' Guide 2016. By approving the annual return after the 30 June, the smaller authority prevented the RFO from discharging their obligations under the Accounts and Audit Regulations 2015 in respect of commencing the period for the exercise of electors' rights. This period must include the first 10 working days of July, meaning that for the 2015/16 annual return, the last possible date for approval was 30 June.

What do we recommend you do?

The smaller authority must ensure in future years that the accounting statements are signed by the RFO and then reviewed and signed as approved by the smaller authority meeting as a whole, by the latest date in order to comply with the electors rights dates, which must include the first 10 working days of July.

The council is recommended to take action on the following issue(s) to ensure that the council acts within its statutory and regulatory framework.

Accounts approval

What is the issue?

The Accounts were approved after the commencement of the inspection period of the exercise of electors' rights.

Why has this issue been raised?

The Accounts and Audit Regulations 2015, reg 15(3) specifies that the Annual Governance statement must be approved. This is followed by the approval of the Accounting Statements. Both statements must be published including on a website with the notice of electors' rights. The electors' rights period should start on the following day. The smaller authority has not complied with the Accounts and Audit Regulations 2015.

What do we recommend you do?

The Smaller Authority must ensure in future years that the electors' rights inspection period commences after the accounting statements are approved. The Smaller Authority must also consider how to answer the question concerning the electors' rights period in the Annual Governance statement next year. The period of electors' rights that they must be considering is for the 2015/16 year as that is the period that has occurred during the year.
